JM had the DPA registration invoice for payment, and a cheque for Bealing Village Hall hire payment.</p> <p>3. PH had responses via the email newsgroup for a visit to the Army at Wattisham. PH would confirm attendees for a visit on 2 November.</p> <p>4. PH reported that Playford Parish Council had agreed to the distribution of the Gt and Lt Bealings shares as proposed, and wished the remaining share to be spent on sand bins (Actions 19 and 23) . It was noted that Bealings VH Trust now wished to use the funds for lighting but not glass recycling. Lt Bealings Parish Council had asked the AMG which residents preferred. However, as the Plan survey data on residents' views on recycling preceded SCDC introducing recycling collections in the parishes, PH would resurvey Bealings residents via the newsgroup, for an indication of preference for the funding to be spent on glass recycling or lighting.</p> <p>Approval of all expenditure would be required from Suffolk ACRE in due course.</p> <p>5. Further information from GB on mobiles was awaited. CR to forward PH information on mobiles phones, cable undergrounding and main sewer connections for consideration.</p> <p>6.
