The King James Bible, also known as the Authorised Bible was published on 2nd May 1611 in England. It was the result of a split between the Catholic Church and the Church of England of the day. King James gave strict instructions that the bible was to conform to the Church of England's doctrine. The bible uses what appears to be Shakespearean English. There was a good reason for this because Shakespeare was very much alive when it was being written. The bible's language is the language of the day and the way English was spoken at that time. The new translation of the Bible was first proposed at the General Assembly of the Church of Scotland at Burntisland in Fife, attended by King James VI, in 1601. The translation was commissioned following the Hampton Court Conference in 1604, by which time James had become James I of England, and it was published in 1611. Known as the Authorised Version, it went on to become the dominant edition in the English-speaking world and remains in widespread use.

In a New Year address, recorded for the BBC the Archbishop of Canterbury, Rowan Williams, said that a 400-year-old Bible translation could help people see the "big picture" at a time of financial or job pressures. He called on people of all faiths, or even none, to rediscover the King James Bible and said that the edition still had the power to surprise and shock its readers, and provided a context for their lives. This would be vital to a "big society", as envisaged by government ministers, he added. However four hundred years on, its version of "the story of the whole universe" could feel "quite remote", Rowan Williams acknowledged. "You may be the sort of person who feels you can make sense of your own story in

your own terms," he said. "Or you may feel there's only one big story and that's about money and whether I have got a job tomorrow and whether my children can afford higher education." Nevertheless, for people to make sense of their lives, the archbishop said it helps to have a strongly defined story in the background that tells us that we all matter. "Whether you're a Christian or belong to another religion, or whether you have nothing you'd want to call a religion at all, some sort of big picture matters," he says. "If we are going to talk about a 'big society', that will need a big picture, of what human beings are really like and why they're so unique and precious. This year's anniversary is a chance to stop and think about the big picture, and to celebrate the astonishing contribution made by that book 400 years ago."

There are many events planned to mark the occasion, these range from an exhibition at St. John's College in Cambridge including seminars and concerts, a special commemoration stamp issued by the Royal Mail to an hour documentary by the BBC. In our own benefice I propose to use the authorised bible for some of the Gospel readings at our services from the Book of Common Prayer on Sunday at 8am and on Wednesday at Culpho Church at 10.30am. The Book of Common Prayer as we know it is just a little younger than the Authorised Bible being published in 1662! Do come and share with us, you will be most welcome.

BENEFICE

I AM STILL YOUR PARISH PRIEST!

It was announced in the notes from the Deanery in the last issue that I am retiring as Rural Dean. The job of Rural Dean is in addition to that of being a parish priest, in my case priest of Bealings, Playford & Culpho. It is an appointment that lasts for 5-10 years and then rotates to another member of the local clergy. I have done the job for 6 years and so it is time for someone else to take over the mantle. Several people have asked me if I am retiring as your priest. Most definitely not, I enjoy being part of the community of the benefice and have no thoughts of stopping. I shall continue to be your priest in the usual manner for the foreseeable future.

ACKNOWLEDGEMENT – PARISH COUNCILS AND ADVERTISERS

While this publication is a Benefice Magazine, run under the auspices of the four churches which comprise the Benefice and which are illustrated on the cover, it is important to remember that the magazine is also the main means of communication employed by the Parish Councils. In this way the Magazine carries the bulk of the news, both religious and secular, from the four parishes. We would like to acknowledge the part played by the Parish Councils in supporting this Magazine financially. Each Council donates a significant sum annually as a contribution to costs. That money, together with the money received from advertisers, enables us to deliver this magazine free of charge to every household in the Benefice.

We would also like to express our appreciation to those advertisers who have so promptly renewed for this coming year. We would like to think that this reflects satisfaction with the advertising service we offer, and that this in itself recommends us to others who may be considering placing adverts. It looks as if there may be one or two spaces available, so do contact Norman Porter (nhp@rillcott.co.uk) if you would like to inquire about possibilities and rates.

BEALINGS WI

Bealings WI welcomed Phil and Mavis Holmes, members of Ipswich Gilbert and Sullivan Society to their Christmas meeting. Introduced by Vice President, Sandra Banham, the few WI notices were swiftly dealt with, then Phil and Mavis linked the story of Gilbert and Sullivan with beautifully presented solos, duets and the famous patter songs, including a selection from *The Gondoliers*, which several members had enjoyed at the recent production in Woodbridge.

A feast of seasonal goodies rounded off a very special evening before venturing into the cold December evening.

Bealings WI meets on the third Thursday of the month in the Village Hall, alternating between afternoons and evenings. We usually get together for lunch before afternoon meetings. Members also enjoy quiz evenings, book clubs, outings & theatre trips, walks with a pub lunch and much more.

A programme of speakers has been organised for 2011 and includes:

GREAT BEALINGS

ST MARY'S

After the snow and ice of December we now reach you from the depths of a dark, damp January. There are few signs of spring in the churchyard or around the lanes and meadows. The fields are soggy. Not even the snow-drops have dared show their face as yet. But that is a sight now eagerly anticipated, along with all the other signs of Spring. By way of encouragement there was a slightly sunny weekend in mid-January when the birds could be heard tentatively sending out muted mating calls. So we're almost there. Stick it out –and may you be spared the seasonal ailments.

LOOKING BACK.....OVER TWO MONTHS Christmas

Our own church was the scene of our annual Carol Service, on December 19th, and of the Benefice Midnight Mass on December 24th. Both services were well supported, and it was good to see new faces, as well as many of the regular members of our congregation. Despite the winter chill, we did our best to ensure that the church was well heated and that it offered a warm welcome. It is a time of year when the church becomes a natural focal point of Christmas sentiments so it is good to welcome a wide range of villagers and visitors. The welcome was so much enhanced by the display of beautiful flowers arranged by our team of flower ladies. The stony chill within the building, when it was not in use, ensured that the displays enjoyed an extended life well into January.

Our thanks to Pat Keep for organising carol singing around the village on a very cold December 22nd, and to the Haywood Smith family for warming up the participants with mulled wine at the end of it all The singing - in the immodest opinion of the singers at least - seemed to compensate for relatively low

numbers by high enthusiasm and impressive volume, with occasional harmonies – all echoing beyond doorsteps and around the village. Our thanks to all who braved the cold to take part, and to those who shared their doorsteps with the singers and contributed generously to a sum close on £100, which was passed on to the EACH Tree House Appeal.

Many of the residents of the area around Lower Street will wish to extend their thanks to Diana and Gerry Lawler for their very generous and neighbourly party held immediately after the Carol Service and dovetailing with it.

Despite the very inclement weather, and the difficulties of travelling, only one service had to be cancelled and we pay tribute to our priest, Pauline, for her fortitude and determination to brave the persistent ice and snow and to ensure that our services took place over this period.

Evelyn Dobree

The funeral took place, privately, on 16th December, in St Mary's Church of Evelyn Dobree, until quite recently living in The Rosary. She had once been well known and involved in the life of the village, indeed she had lived in the village before the war (see anecdote below), and had been part of it for some 70 years. Sadly she became afflicted by blindness, an affliction that she bore with great fortitude, even though it effectively cut her off from external activity. She had been living with her family at The Rosary, until she came to need full-time care.

During the war Evelyn worked as a Physiotherapist in Bury St Edmunds. At weekends she would often come home to stay with her aunt, Annie Moor. This involved catching a train to Little Bealings and then being taken by pony and trap to The Rosary. The Moors did, in

fact, own a Rolls Royce Silver Ghost, but because of petrol restrictions were unable to use it. The chauffeur, Ted Jarvis, had to resort to the pony and trap. Unfortunately he hated horses, and Evelyn used to say that she was placed in far greater peril during her short pony-ride back to see her aunt than she ever was by the efforts of the Luftwaffe.

Keith Shepherd

The funeral took place on Friday January 21st of Keith Shepherd, formerly of The Homestead, off Boot Street. Keith had purchased land in the late 1940s – one of the few plots in the village not owned by the Cranworth Estate at the time – and built The Homestead on part of it, later selling on some of the land, previously smallholdings, to Howard Construction. Both Keith and his wife Rachel, who survives him, had lived there until very recently, when poor health meant they had to move into a Nursing Home. They had two children, Jan and Anthony, both of whom were brought up in the village. Jan describes her parents as “Chapel people”, leading relatively private lives. Keith was himself in the building and maintenance business.

.....AND LOOKING AHEAD

Progressive Dinner 2011 –Saturday February 5th

Almost 60 people are signed up for this annual extravaganza. Fingers are tightly crossed that neither bad weather nor seasonal germs will intervene to disrupt the complex organisation of this event. Those not involved should be alerted to the likelihood of unusual movement around the village on this evening.

New arrivals in the village

Despite all the gloom about the housing market, there does seem to have been considerable movement within the village, with a number of incoming residents. We hope that they will find Great Bealings a friendly village, and hope that they will quickly feel integrated within it. There is a welcome leaflet

which will be delivered by the Churchwarden, either on request, or if news of your arrival reaches him via the village grapevine. Do please activate that grapevine if there is news to be passed on. Good neighbourliness may, for Christians be the basis of the second commandment, but it is also the glue of village life and the foundation of a cohesive community.

Re: Scrutiny of the District Council's Planning Service. Anyone wanting to comment on any planning issues should let the Clerk know by end of May 2011.

REPORT BY COUNTY COUNCILLOR PETER BELLFIELD

Mr Peter Bellfield reported that no savings are expected to come from the New Strategic Direction and "Divestment" until 2013 so the current budget has been set accordingly. There are two separate aspects at present: - What to do for the coming year; and the subsequent two years when the New Strategic Direction should save between £110 million and £120 million. Mr Peter Bellfield reported that the number 70 bus service will be reduced with the evening service being entirely withdrawn. Other services will be cut and he said that he hoped volunteers would come forward. He reported that there is a freeze on recruitment except in exceptional circumstances and as people leave their positions they are not being replaced. The County Council has saved £70 million in the last 5 years.

REPORT BY MR LUKE BARBER ON TRAFFIC CALMING IN BOOT STREET

Mr Luke Barber talked about the possibilities outlined in two plans for traffic calming in Boot Street. The first plan is a consultation drawing which shows proposals afforded by the Quality of Life Scheme. The second plan shows further measures obtainable in the future subject to additional funding. He confirmed that the first plan provides white

lining, the painting of gateways, an extra 30 mph sign and roundels. This could possibly be done for around £1,500, our budget of £3,500 approx would more than cover these costs. Scenario 2 on the other hand exceeds our budget and could possibly be done for somewhere in the region of £5,000. This plan comes up with "off the peg" solutions in the shape of flashing signs at the beginning and at the end of the village. These would cost somewhere in the region of £6,000 - £8,000 each therefore we would only be able to afford one. Plan 2 was most popular with Councillors. The Chairman suggested holding a public meeting on 15th March 2011 to seek the view of residents and whether further funding could be obtained/raised.

On a different topic the bid for a speed limit on Hall Farm Road is still being investigated by the Highways Department.

PLANNING APPLICATIONS

C10/2883 Seckford Hall, Great Bealings Erection of detached building to provide additional bedroom accommodation (renewal of planning permission C02/0205, as previously extended by C07/1788)

Permission has been granted by SCDC.

Rosery Farm Mr Eric Barnett had received an email from Ms Katherine Scott of the Planning Department saying that she would try and make some progress on this case.

LOCAL DEVELOPMENT FRAMEWORK

Previous comments (February 2009) had been that Great Bealings should be classified as "Other village". The new document shows that this has now been accepted which means next to no development

FINANCE

A cheque for the Clerk's salary was signed. A new grit bin has been pur-

chased at a cost of £154.71. £333 has been received and banked from Parish Plan funds - this money is earmarked for the Village Hall security lighting.

ANY OTHER BUSINESS

- The notice board on Boot Street needs fixing.
- More pot holes have appeared, in particular a very large one on the Hasketon Road and a tree root on the same road. These and others will be logged and reported to the Highways Department.
- The corner of Grundisburgh Road / Boot Street is unkempt and needs tidying.

GREAT BEALINGS ANNUAL PARISH MEETING:

The next meeting of the Parish Council will be on **Tuesday 15th March 2011** in the Angela Cobbold Memorial Hall, immediately after the **Annual Parish Meeting** which will include a presentation on "Traffic Calming in Boot Street".

The meeting will commence at 7 pm. All residents are welcome to attend.

LITTLE BEALINGS

ALL SAINTS

CHRISTMAS SERVICES

Although we had atrocious weather for our Carol Service, we welcomed a good congregation who soon forgot the snow and ice as they entered to find the warmth and glow of our candle lit church. Our favourite carols were led by the Benefice Choir and our readers led us through the Christmas story. A very special thank you must go to Jane who took over on the organ with just a few hours notice, when our organist was unable to get into our village from Bawdsey, where she lives, because of the snow and ice. A hot toddy and mince pies followed before setting off in the wintry conditions for home.

Thank you to all who helped to make this a joyous occasion

CRIB SERVICE

We had a packed church for the Crib service on Christmas Eve afternoon.

This is a very popular service from tiny tots to their grandparents. The children came dressed as shepherds and angels and I am sure I counted at least 6 Kings!

Congratulations to the excellent readers who spoke so well and the nativity tableau at the end was a very moving start to Christmas

There are many in the Parish who have worked all year as well as Christmas in supporting us as churchwardens at All Saints and we very much appreciate your help and hard work. We need as many of you as possible to keep our lovely Church up and running. If any of you feel you can help in any way please get in touch. Maybe you have moved into the village recently and would like to get involved. We always need flower arrangers for our altar flowers, a few to clean a corner of the church, many to

keep our churchyard tidy particularly in the Spring time and as many as possible to take a turn mowing the grass at the front of the church. The old saying of "many hands make light work" certainly applies at All Saints. Please get in touch with the churchwardens if you could spare an hour from time to time, thank you.

SWEATER FOUND

A chunky knit grey cable sweater (large) was left in Little Bealings church after one of our Christmas services. If you are the owner please collect or it will have to go for re-cycling. It is at the back behind the font.

BROWN BIN FOR RECYCLING

A brown bin has been ordered for the church. This is to be used for spent flowers and greenery from the church and from the graves. Please do not put plastic film or plastic plant pots in the bin, but take them home with you. Thank you.

It will be sited somewhere near the church toilet.

LETTER OF THANKS FROM WYNAUD TRUST

We are writing to say it was a privilege to join with your church members on Sunday and have the opportunity to speak about the work of the Wynaud Trust in Zambia. The people of Kabulamema are very close to our heart. We hope that in the years ahead we will help the local people make a difference to their community. Donations such as yours will make this possible.

We would be grateful if you could pass on our heartfelt thanks for the kind donation we received. We are working on a number of projects in areas such as education, agricultural initiatives, small business opportunities and supporting vulnerable people. Your donation will provide seed and fertiliser to enable 15-20 families to grow food and earn an

income. Typically a family will include up to 9 or 10 children.

Thank you to all the members of the local villages and churches that have contributed to this kind gift. Thank you for partnering with us. We will write again to update you with the project's progress in due course.

Yours sincerely

Alison and Nigel Brown

or paddybills@gmail.com

so we will have numbers for catering.

Do come and join in our evening of fun and throw off the winter blues!

LET THERE BE LIGHT

We have been treated to a feast of light for the last month covering the Christmas period and the early difficult days of the New Year. This has been entirely due to the generosity of Mrs Jean Perkins, who sponsored the lights in memory of her late husband, Robert Perkins, to whom the installation of the lights is dedicated.

On Tuesday, January 25th, the lights celebrated the life of Mrs Eunice Stim-

son, formerly of Devonian, Sandy Lane, and a long term resident of Little Bealings. Eunice will be remembered for her contribution to village life over many years.

ANGELA COBBOLD UPDATE

LUNCHESES

Thanks to everyone who supported the Advent Soup Lunches. With the tax reclaimed, we had donations amounting to £184.95p after expenses. This is to be shared between the Hall maintenance fund and the Wynaud Trust. Following the social success of the 'Soup' Lunches it has been suggested that we establish a monthly Lunch Club. This would be a 'light' lunch and would be prepared by a rota of volunteers. If you would like to help prepare the food or join us for lunch, please contact—Peter or Vicki Carr 01473 620213

TABLE TOP SALES

Thank you to both sellers and buyers who came to the sale at the end of November. There will be a pre-Easter Sale on Saturday 26th.March 9am.-12noon. If you would like a table or to help in anyway please contact 01473 620213

JUST LOCAL STALL

This continues to raise funds to defray the cost of 'consumables' used in the Hall. If you have items to donate call at Corner Cottage, The Street—or ring 01473 620213

MEMORIES

Do you have any particular memories or photos of the Angela Cobbold Hall or the village? We would like to put together a 'history' of the Hall. If you can contribute please 'phone 01473 620213 or email diana.carr01@btinternet.com

PLAYFORD HARVEST

It seems a long time ago but we raised £315.92 to send to the Yayasan Gunungan orphanage & relief centre in Indonesia. We have received some lovely 'thank you letters' from the children at the centre. They are in the church if anybody would like to see them and there is also a photo of Stephen with all the children on a week-end expedition to the beach.

The letters are written in English saying Thank you for help us, We can go to school, We can eat right, We can slept tight, Because of you all. Thank you with lots of love from Indonesia.

Another says Thanks for your presented, thanks for your gift, thanks for your care, thanks for your love.

The money will be used not only for the children in the Refuge Centre but also for the creation of businesses – hairdressing and sewing- for those who can find no means of employment other than prostitution.

We also collected games and books. Some of these have been posted and some Mrs Smith hopes to take when she visits the refuge in the Spring.

Thank you all very much for supporting us- do look up the website www.gunungan.org if you would like to see more pictures and news of the refuge.

Dear Liz, Gina and all the members of the Playford PCC

On behalf of Stephen and all the people involved in Yayasan Gunungan I would like to thank you so much for your magnificent gift of £315,92 raised as a result of your Harvest Supper and Evensong.

Thank you also for the excellent meal that I enjoyed at your Harvest Supper.

I know that the money will be put to very good use, not only for the children in the Refuge Centre, but also for the creation of businesses - hair dressing and sewing - for those who can find no means of employment other than prostitution.

Another big thank you also to all the children who gave toys and books for the orphanage. That was such a kind thing to do, and I'll make sure that they get there as soon as I can.

I've included 3 'thank you' letters from the children, which include little verses which I thought were brilliant from people whose first language isn't English. The other 2 pictures are firstly of Stephen with all the children on a week-end expedition to the beach - sleeping under the stars (the sort of thing he liked to do when he was at Woodbridge School), secondly, he's with one of the children - also called Stephen, and a girl who works in one of the Charity Shops.

Once again a very big thank you to you all for supporting the desperate need that Stephen is trying to help in Indonesia.

Wishing you all a Very Happy Christmas, and with all Good Wishes for 2011

from
Rita Smith (Stephen's Mum)

The format of the Newsletter cannot do justice to the original drawings done by the children and the photographs. These can be seen in the Church.

PUDDING NIGHT THANK YOU

A Huge thank you to all that got involved in the Pudding night back in November, both those that worked hard behind the scenes on fabulous puddings, behind the bar and setting up/clearing away on the night and of course those that came and took part. It was a great success and a lot of fun with a selection of 25-30 puddings, a booklet of which is being compiled for a small donation of at least £2 available from Jocelyn 01473 620604

Two highlights of the evening were the auction of the celebration Cake (promise of), which turned out to be so successful a 2nd auction for a 2nd cake just had to be done! The other was the generation game competition between the Lillywhites and the Durrants, where mother and daughter teams had to copy the creating of a Baked Alaskan Style Chocolate Cream Layer Cake. This was fast, furious and very funny and everyone had the opportunity to eat the wonderful and tasty results.

We raised a fantastic £370 which was split 50/50 between the Parish Hall and St Mary's Church, Playford.

Again, thank you to everyone who got involved.

PLAYFORD'S GOT TALENT - 2

A big thank you to everyone who participated and helped in the Playford talent night which was again a successful evening. A particular 'thank you' to everyone for turning out on such a cold and snowy night to support the event. There was such a good atmosphere- a lovely warm-up to Christmas, and it seemed as though everyone had a very enjoyable evening. I think this will now become a yearly event - what an array of talent and enthusiastic participation was shown by all.

With such a high quality and range of 'acts' perhaps now is the time to start

thinking about what *you* will be performing when '**Playford's Got Talent - 3**' comes around in just 11 month's time!

PLAYFORD WI

We were pleased to welcome six visitors to our December meeting when Mr Chris Place brought his two dogs to illustrate his talk "The Prison Service and the Role of Drug Dogs". We were not disappointed; the dogs showed how good they were at finding both drugs and mobile phones and Mr Place's talk was very interesting and informative. The evening finished with seasonal refreshments.

Our January meeting was a "Pamper Evening" when we were able to have a hand massage, face massage, foot spa or all three if you could fit them in between more refreshments! A very relaxing evening to start our 2011 programme.

The speaker for our February meeting will be the Rev John Robinson who will be showing us "Bygone East Anglia through the Magic Lantern" on 1st February at 7.30pm in the Parish Hall.

We are pleased to welcome visitors to our meetings. On the 3rd Tuesday of each month we are holding socials at 11.30am, mostly at Playford Parish Hall, when we are also pleased to welcome visitors. February 15th will be a craft session. (Bring your own lunch)

PARISH COUNCIL

Notes from the Playford Parish Council meeting held on 5th January 2011

MATTERS ARISING FROM THE MINUTES:-

SANDBOXES

REH reported that the lid for the sand-box on the triangle of grass with the telephone box has been replaced.

REPORT BY PCSO JACKIE BYDE

There were no crimes to report. PCSO Jackie Byde did say that now that the

weather has improved the police will be back out with their speed guns. The Chairman asked about white lining and other possible methods for traffic calming in the village. This is to be explored.

REPORT BY CLLR PETER BELLFIELD

The budget for the coming year has gone in front of the Scrutiny Committee. No savings are expected to come in from the New Strategic Direction and "Divestment" until 2013. Cut backs mean that bus routes are being curtailed. The Route 70 and 70a service will be reduced which will affect Playford residents. Subsidised buses are costing the County Council £2 ¼ million a year however and they are proposing to half that.

HIGHWAYS

Footpath 20 – it is likely that some sort of "surface" will be put down.

The dyke on the corner of Church Lane and Butts Road has been cleared.

The clerk has heard back from Mr David Fawcett regarding the road paving outside "High Meadows". He reported that some road sign re-positioning will be carried out. The Chairman agreed to write to Mr Fawcett saying that the work is unsatisfactory.

PLANNING APPLICATIONS

C10/1650 Part of garden south east of, Sevenoaks, Butts Road

REH had attended the sub committee meeting and that the planning application has been approved with some conditions. Seven people were in favour with one abstention. Miss Rosie Dinnen, Case Officer informs the clerk that no formal decision has been made yet.

C10/2693 Pantiles, Spring Meadow

Erection of single storey pool room extension.

Permission has been granted by SCDC.

LOCAL DEVELOPMENT FRAMEWORK

The proposals don't seem to have differed very much from those we had before in the consultation in January 2009. It has changed slightly in that less houses are to be built however it has to be remembered that it is re-

sponding to an increasing population. Playford is classified as "Other village" which means next to no development.

FINANCE

Thank you letters from the Playford Parish Hall, the Benefice Newsletter, East Anglian Air Ambulance, Suffolk Accident Rescue and the Unpaid Works Team have been received for donations made to them this year.

£333 has been received and banked from Parish Plan funds. This money has been used to purchase two grit bins for the village.

PLAYFORDS ANNUAL PARISH MEETING

The **Annual Parish Meeting** and bi-monthly meeting will take place on **Wednesday, 2nd March 2011** after the Police Community Engagement Meeting which will commence at 6.30 pm. All residents are welcome to attend.

CULPHO

ST. BOTOLPH'S, CULPHO FLOODLIGHTS

Sponsorship of the lights continues to be a very popular and tangible way to remember loved ones, celebrate anniversaries or that special occasion. During December, the Church was lit on quite a number of evenings. On the 15th and 17th December Rosemary Hartfall sponsored the lights in the cherished memory of her sister, Veronica (Chota). On the 16th December, the lights were lit by the Grey family in loving memory of Shirley's mother and the following day saw the lights lit in memory of the mother of Margaret Gornall. To celebrate Christmas and the birth of Christ, Guy and Rosemary Hartfall sponsored the lights on Christmas Day and Boxing Day and on the 29th December, and the 4th January, the Church was again floodlit, this time by Glennis Richardson, in loving memory of her mother and of her dear uncle.

On the 7th January, the lights were lit in memory of the Reverend Canon Henry Lunney, whose Memorial Service took place on this date at St. Augustine's Church, Ipswich. Henry officiated for many years at the Evensong Service;

was a great friend to everyone in the village and will be sadly missed.

Sincere thanks go to everyone who sponsored the floodlights during 2010 with a reminder that the lights can be sponsored for £5 and by leaving details at 19, Culpho.

GATE LEADING TO THE CHURCH CAR PARK

In order to make the car park and land adjacent to it more secure a gate is to be erected on the track leading to the Church car park. (The gate may already be in position). Hopefully this will help prevent unwarranted access and ensure the safety of the Church and Churchyard. Our grateful thanks go to Lord Cranworth for giving his permission.

P.C.C. MEETING

The next meeting of the Parochial Church Council will take place at 5 p.m. on the 17th February 2011 at Abbey Farm.
