As you may be aware Bishop Nigel has for some time had the unenviable task of chairing a working group appointed by the House of Bishops in 2012 to try and find a way forward for the Church of England to allow women to be consecrated as bishops. This month there is a meeting of the General Synod (the governing body of the Church of England), at York to which the working group under the auspices of the House of Bishops will bring the fruits of their work on Monday 8th July. There was a full report of the group's deliberations in the Church Times of 31st May and this is but a synopsis. The motion will request the drafting of new legislation to enable women to be consecrated to the episcopate. If this is passed it will allow time for further debate at the November meeting the General Synod and the process could be concluded in 2015.

If this happens then the Church of England will be fully committed to all orders of ministry being open equally to all, without reference to gender, and will expect that "office holders" (priests and bishops legally appointed) will receive due respect and canonical obedience. This then means that anyone who ministers within the Church of England must be prepared to acknowledge that the Church has reached a clear decision on the matter. The only exception will be where historically the Anglican Church continues to share with other denominations who don't ordain women as bishops, (as I have experienced in Lanzarote where the Anglican Holy Communion service is celebrated in the local Roman Catholic

church) and within those provinces of the Anglican Communion who do not ordain women as Priests.

The Bishops acknowledge that the Church of England is at a place where neither side is likely to claim outright victory. There will be many who find the ministry of women, particularly as bishops, unacceptable, but who still wish to remain within the Church. It is envisaged that Pastoral and sacramental provision for this group will be made in a way that maintains the highest possible degree of communication and contributes to mutual flourishing across the whole Church of England. The working group looked at several ways forward, of which they prefer option one. Bishop Nigel is reported as saying "We have a choice of proceeding by grace or by law. As you go down the options, more law goes into it. It seems wise to start with maximum grace and see where that gets us: that's where the House of Bishops would like to start." He went on to say that he hoped people would not start to take positions and sides too soon, "this is a real attempt to see how we can begin to honour each other rather than be suspicious of each other".

Please pray for Bishop Nigel as he carries this heavy load and puts himself in what will surely be the firing line from at least some of the General Synod representatives.

GREAT BEALINGS

ST MARYS

This is going to be a painful exercise. We're just about to go away for a week's holiday so I am having to write these notes on June 4th to meet the deadline, and have to try to anticipate September, as that will be when you receive your next magazine. Not much happens in the next couple of months so circumstances now force me to anticipate the various September events, typically one of our busiest months. So apologies for switching your minds out of early summer mode and towards autumn!

LOOKING BACK

PCC MEETING ON JUNE 4TH.

We try to hold our summer meeting in

the vestry, as it's the one time in the year when it is warm enough, and it gives your PCC members a good opportunity to have a close, on-site look at the fabric and state of the churchyard. The main points emerging from the meeting were:

1. We are reviewing our plans for carrying out necessary repairs to the church, as itemized in Quinquennial Inspection Reports. One additional problem has emerged, namely that of re-tiling the roof, as many of the tiles are "shaling" –i.e. breaking up. This will be expensive, so we are adopting a new strategy, one that includes putting together a complete package of repairs so that it can be submitted for one consoli-

dated faculty (i.e. legal permission to do the work). This will be done in conjunction with our architect who will help us prepare the documents. We are also intending to apply to such funding bodies as may be able to help us. Certainly the funds generously raised by The Friends of Great Bealings Church will be a significant contribution to the sums required to complete the work. Fortunately, even with just one single Faculty the work can be carried out in stages, so budgeting will be spread over a period of some five years.

2. Various ideas emerged from the recent meeting of local churchwardens. Certainly some could be considered by FOGBS. Amongst the ideas aired were:

- i A Toy Service –just before Christmas –surplus toys could be passed on to less fortunate children.
- ii Consider helping out a local Food Bank.
- iii Use individualized invitation cards for special services.
- iv Coffee mornings in various houses.
- v A church quiz night.

If you are enthused by any of these ideas and would like to offer support, do please have a word with a member of the PCC.

3. The PCC were delighted to have had such a positive feed-back from their NADFAS visitors on April 14th. Indeed the success of the Church Recording group and of the special service was featured on the front page of the recent NADFAS Newsletter, with a picture of the presentation of the book later on in the publication.

LOOKING AHEAD

Most major events are linked with FOGBC –see item elsewhere in this Magazine. We can, however, give the date of our Harvest Festival – Sunday September 8th. This, as we understand it, will be the 10th anniversary of Pauline's arrival in our midst, so that is something to celebrate.

FLOODLIGHTS

We can but apologise for recent malfunctioning of the lights. Somehow the lights, when turned on, immediately trip a switch, and they fail to come on. A meeting with an electrician took place on 5th June, and it is hoped that the problem will have been identified and steps taken to remedy it. We do very much value the contributions to church funds made when people celebrate/commemorate various occasions or loved ones, and understand that this is an important way of doing so in public and in a way which lights up the summer evening sky. Please accept our apologies. Roger Roseboom kindly continues to accept both your messages and your £5 and to ensure that the lights are on. It has been as frustrating for him as for all of us.

CHURCHYARD

The first major cut of the summer has taken place, so all the paths are now accessible and free of impediments. Hopefully, if we can find helpers, these will be cut on a regular basis. As ever, the churchyard is a wonderfully restful place. Why not take along a book and immerse yourself in the peacefulness of it all?

Looking further ahead, way past the growing season, we are planning on putting together a Churchyard Working Party on the morning of Saturday 5th October –a ploughman's lunch to follow.

In the meantime we wish all our readers the sort of summer that they would wish for themselves, gentle overnight rain for the gardeners, much sunshine for holidaymakers and the sort of summer days that will provide happy memories to see you through the winter.

Churchwarden

LET THERE BE LIGHT

I only wish there was! Unfortunately our electrical problem continues, with consequential inability to turn on the lights. However I am assured that a fully qualified electrician will be on the job soon, so in anticipation of success, Janet Eaton has requested that they be lit on 4 July, "In loving memory of my husband, Bob Eaton, who died on that date."

Similar thoughts are expressed by Ann Barrett and family for her husband, Eddie. The lights did not work on the day she requested – 7 May - Instead they will shine on the 5th. "For the Barrett family, "Eddie will always be in our thoughts and prayers"

Now that the problem is solved, let's light up Great Bealings once more, with your memories of loved ones, birthdays, marriages and any occasion that you wish to celebrate or remember. Either telephone me on 01473 735153 or e-mail: roger.roseboom1@btinternet.com – look forward to hearing from you. Roger.

FRIENDS OF GREAT BEALINGS CHURCH

We have a number of events lined up over the next few months, so please make sure you have the dates in the diary. Further publicity will come via the Benefice news service.

CRICKET: At Barn Pightle on **Sunday July 7th** beginning at 2.00 pm. There will be elementary coaching available from 1.00 pm onwards – children particularly welcome. We expect to finish around 5.00 pm. Everyone welcome – non-cricketers will be able to enjoy the tea and cakes.

HISTORIC CHURCHES CYCLE RIDE

This is planned for **Saturday September 14th**. As ever we are looking for cyclists prepared to tour the county's highways and byways during the hours of 9.00 am

until 5.00 pm. All the better if they can obtain sponsorship for doing so. All proceeds go to the Historic Churches Trust, with half of the money reverting to our own church. Norman Porter will have all the necessary forms. We also have a roster of church sitters, so please make a note of this in your diary if you think you would like to help out for an hour welcoming visitors to the church.

FARM FAIR

Saturday September 21st

We alerted all helpers and potential stall-holders to this in last month's edition of this magazine. We will be recruiting helpers during the summer months, but unsolicited offers of help are very welcome. We hope that this year's event will be even better than last year's. Do keep the weekend free, if you can.

Sue Prentice, Chairman FOGBC

TELEPHONE BOX LIBRARY

Dear Supporters. Thank you for supporting the Great Bealings Telephone Box library. There are some very interesting books in there. Please continue to donate books and DVDs you no longer need – just leave them in the phone box. We would love a few more good children's books if you have any to pass on. Zoe Firebrace

CO-OPTION

Mr Martin Cripps was co-opted on to the Parish Council taking the place of Mr Robin Sadler who had resigned earlier in the year. The Vice Chairman, Mr Colin Hedgley welcomed Mr Cripps.

PLANNING

C13/0858

The Willows, Orchard Lane, Great Bealings, Woodbridge, IP13 6NN

Erection of a porch and a new roof with dormer windows to provide additional living accommodation.

It was resolved not to object to this planning application but pick up on the points about access. I.e. if the verges/kerbing to Orchard Lane are damaged by the contractors in the process of carrying out this building work they would be accountable and see to it that the damaged sections would be reinstated. Mr James Firebrace said he would try to avoid it occurring in the first place.

C12/2214

1 and 2 Wood Barn Cottages, Seckford Hall Road, Great Bealings, IP13 6NX

Variation of Condition 2 of C12/2214 to enable drawings 1910-23B, 1910-27D, 1910-26C and LSDP10860.02 Rev B to be substituted for those cited on the decision notice and increase the level of accommodation within the previously approved drawings.

SCDC consents to vary condition 2 of planning permission. Subject to the variations stated in the letter SCDC approved the plans.

EAST ANGLIA ONE WINDFARM

Mr Colin Hedgley, Mr Paul Norris and Mr Martin Cripps had attended the presentation by EAOW the previous night. Comments made by Councillors were a) the depot site at Playford is unnecessary but is being used as it will cut EAOW's costs significantly and b) Boot Street will clearly be used by HGV's as it is the shortest route to where the cabling work is being carried out... Councillors decided that they did not need to make any additional comments to the most recent Consultation. Subject to the approval by the Planning Inspectorate the works will commence in 2016.

CORRESPONDENCE

Cllr Craig Robinson had tendered his resignation from the Parish Council. The vacancy will be advertised in the

usual way. If you are interested in becoming a Councillor please contact the Clerk. (Details below)

PARISH COUNCIL

These are condensed notes of the proceedings of the Great Bealings Annual Parish Meeting held on 7 May 2013. A full version of the minutes appears on the website:

www.greatbealings.co.uk

CHAIRMAN'S REPORT

The Chairman reported that it had been a very busy year with 12 planning applications most of which we have approved. The long awaited Solargen sign has been installed in Boot Street – thanks to Mr Paul Norris. Thanks should also go to Mr Robin Sadler for his exploration work for a Community Wind Turbine. An open meeting had been held for residents from Playford, Great and Little Bealings to discuss the location found for the Wind Turbine however this had met with little support from those living within a quarter of a mile of the site. A new site was found but the Parish Council has decided that the best way forward to gauge support for a Community Wind Turbine is to air it under the umbrella of the proposed Neighbourhood Plan. The EAOW planning application has been submitted to the Planning Inspectorate and a new consultation period begun since geological conditions in The Bealings have confirmed that the HDD method will not be suitable and Open Cut trenching will need to be used instead. EAOW shall be presenting on this to the village at the beginning of June. Another major item in the Chairman's Report is that the Parish Council has agreed that we should proceed with the production of a

Neighbourhood Plan. SCDC are consulting on this for us and a working group has been set up of which Mr Charles Barrington is the secretary. This Plan will involve many people and a lot of work. Ipswich Borough Council and adjoining District Councils are looking at housing needs in the Eastern Ipswich Fringe possibly an extra 2,500 dwellings over the next 15 years highlighting the need for a Neighbourhood Plan for Great Bealings.

**DISTRICT COUNCILLOR
TONY FRYATT'S REPORT**

Mr Tony Fryatt reported that £100,000 has been earmarked to allow three people to run the Neighbourhood Plan process at SCDC. He also reported that the number of Councillors at SCDC could be reduced from 55 to 43. Mr Tony Fryatt informed Councillors that there was grant money available at SCDC that could be made available to Parish Councils – "Revenue Grant".

**VILLAGE HALL MANAGEMENT
COMMITTEE'S REPORT DELIVERED BY
MRS JENNY SHAW**

Mrs Jenny Shaw, Chairman of the Village Hall reported that it costs £8,000 a year to run the Hall and £3,000 a year for the playingfield. Last year costs were kept to a minimum and with the help of Peter Bellfield's locality budget they were able to mark out the car park with blocks to assist tidier parking.

The weather has seriously impacted the lines on the Sports Court and with the support of the Parish Council the release of funds from the Outdoor Play-space Fund which would cover 2/3rds of the cost of having the lines re-painted has been given from the green light. Events planned this year include; an event on the 13th July to celebrate the 5th anniversary of the refurbishment (organised by the Friends of the Field), a New Years Event at the Village Hall on 31st December, and to hold another quiz evening. Mrs Jenny Shaw thanked the volunteers that continue to help and

in particular Mrs Margaret Wilson who is the Secretary, bookings officer and treasurer! Also thanked are Eric Barnett, Robin Sadler and Peter Bellfield. A full copy of this report can be viewed on the website:
www.greatbealings.co.uk.

**BENEFICE NEWSLETTER TEAM
DELIVERED BY MR NORMAN PORTER**

Advertisers continue to use the Benefice Newsletter and this year there was £1,000 in the bank before they even went to print. On top of that donations from Parish Councils bring the total income up to £1,530 and with out-goings at £1,601 there was just a £71 shortfall. The production of the Magazine is the result of a team effort and a real debt of gratitude is owed to all of the team – contributors, compilers, designer, treasurer, collectors, distributors, and, indeed, readers. The Benefice Newsletter alongside the digital news service provided by Phil Holmes, remain for many, at the heart of good community communications. Also playing a central role in village life is Great Bealings Church – they are looking for a Church Warden. Finally the Farm Fair last September had been a huge success and this event will be repeated this year. The time, energy and expertise of as many villagers as possible will be called upon and with up to 1,000 visitors last year our village will be very much on show.

**NEIGHBOURHOOD PLAN
PROGRESS REPORT DELIVERED BY
MR CHARLES BARRINGTON**

Mr Charles Barrington reported that after 6 months preliminary discussions and meetings the Neighbourhood Plan is now ready to go public and the first consultation stage is in progress (26th April – 21st June 2013). He suggested by way of background that residents and Councillors take a look at the Upper Eden Valley Neighbourhood Plan on the net. It is the only Neighbourhood Plan

in the country to have been passed by a referendum so far and is a very well written document. Mr Barrington reported that SCDC have agreed to increase their planning support budget by £100k to allow more staff to be hired to work on Neighbourhood Plans and he reported that we have also applied for funding from DCLG under a scheme that can grant up to £7k per Plan.

The work has been divided into the following headings; Built Environment, Natural Environment, Consultation Process, Funding, Services and Historic Setting and Context. Mr Eric Barnett is in charge of the Consultation stage with two Open Days scheduled to run on the 14th and 15th June in the Angela Cobbold Hall.

COUNTY COUNCILLOR PETER BELLFIELD'S REPORT

Mr Peter Bellfield reported that Mark

Bee and Debora Cadman have proved highly successful as political leader and executive leader of the Council for 2012/13. He reported that once again SCDC are on track to achieve the savings of £25 million this year and that Council Tax will remain unchanged. Other items Mr Peter Bellfield reported on were libraries, education, residential care homes, broadband, energy from waste, the fire and rescue service, future back office requirements, records and heritage functions and the proposal of major construction sites. A full copy of his report is available on the website: - www.greatbealings.co.uk.

HARVEST TIME - A DATE FOR YOUR DIARIES

It seems very early to be thinking of harvest time when we have barely had any Summer weather yet but with no magazine in August I would like you to put in your diaries Sunday September 15th for our Harvest Songs of Praise service at All Saints Church. The service will start at the later time of 11.00am and followed with our Harvest Lunch at the Angela Cobbold Hall.

This is always a popular service so please join us to give thanks for our beautiful countryside all around.

There will be further information in the September magazine asking for numbers of those who would like to be at the lunch.

LET THERE BE LIGHT

The 60th Anniversary of the Coronation was marked on Sunday June 2nd.

The lights of All Saints were lit on Saturday June 15th and Sunday June 16th with "Congratulations and best wishes to Michael Lacey of 17 Richards Drive on his 80th birthday! Enjoying a weekend of celebrations with family and friends".

The All Saints lighting scheme was launched on July 23rd 1991 when the Kidd family of "Greenstead", Sandy Lane celebrated family birthdays. The cost was £5, as it still is today – what a bargain! Since then the sum of £7,522.00 has been raised, proving how "many a mickle makes a muckle."

During this time we have had three lamplighters, the late Eric Cattermole, Steve Foster and now Peter Carr. The late Freda Jowers and Vicki Carr have assisted while I was away. So thank you to them and thank you to everyone who has supported the scheme – please keep it going and support our ancient church.

£5 or cheque payable to Little Bealings PCC will work the magic of floodlighting All Saints.

CHURCHYARD

We would appreciate help with grass cutting of All Saints Churchyard in the summer. The short grass close to the church and the grass paths need to be mown at about 2 or 3 week intervals. We have a good mower in the shed and it does not take too long. We have a small team of 2 persons at present, but extra help would be appreciated and I would like to set up a rota. I would be very happy to explain the operation of the mower to first timers and give the code for the lock. Each person would then only need to mow occasionally. If you do feel able to help, please will you

contact Bob Tate at

robert.tate9@btinternet.com or 01473 622995.

The long grass in the rest of the Churchyard is normally cut by the "probationary pay-back team" once or twice a year and we are hoping for a visit sometime in August. We are grateful for their help.

We are also planning an Autumn clear up session and a provisional date of Saturday morning 2 November has been set. Please put this date in you diary if you are free and can help. Again it would be helpful to know. More details later.

PARISH COUNCIL

Notes of the Parish Council Meeting held on 10 June 2013

EAST ANGLIAN OFFSHORE WINDFARM CABLING ROUTE AND CONSTRUCTION DEPOT

The Parish Council considered the Supplementary Environmental Information provided by the applicants, which included a Traffic and Transport Assessment, with Outline Plans for Traffic Management (for HGVs), Access Management (for access to the Construction Consolidation Sites (e.g. at Playford)) and Travel (for construction workers). A change to the use of horizontal direct drilling (HDD) to cross Lodge Road was also included, as a result of site survey information. The consultation documents are available at http://eastangliaone.eastangliawind.com/application_documents.aspx

The Council resolved that the extra information and the change in respect of the HDD proposal for Lodge Road made no difference to the Council's objection to the routing of the cable through Bealings and its preference for AOA (the northern route) for the cable. The applicants would be requested to

carry out assessment of:

the impact of use of the haul road by construction traffic on current vehicular use of Holly Lane and Lodge Road

noise, vibration and air quality impacts on Holly Lane and Lodge Road, the applicants' assessment of impact on The Street being irrelevant given the location of the cable route and haul road.

The Council would also ask SCDC and SCC to produce a Local Impact Report for Bealings, as referred to by the Planning Inspectorate . The Council had registered to attend the Inspectorate preliminary meeting on 25 June, at which the issues to be addressed and the means by which the Inspectorate would deal with them would be discussed.

The next scheduled meeting of the Parish Council will be at 7.30 pm on Monday 1 July 2013 in the Village Hall Committee Room. During the first 15 minutes of all Council meetings the public are welcome to raise any matters of concern with Councillors. The public may also speak for a maximum of 3 minutes on any item on the Agenda at the beginning of that item.

The approved minutes of Parish Council meetings are available on the Council's website.

PLAYFORD WI

There was no monthly meeting in June as most of our members went to Denman in Oxfordshire to enjoy a day of recipes & foodie things. Everyone enjoyed the day, although tiring, as the all-round trip was 380 miles.

On July 2nd we are having a talk from Karen Finch from the Ipswich Hearing Centre.

On August 6th our speaker is Pauline Baker talking on 'Frock Horror', which we believe will be an amusing look behind the scenes.

On September 3rd we are having a talk by Nicky Howener-Towsend about the lace industry in Suffolk.

We have invited other local WI groups to join us in making up numbers and have had many affirmative replies and hope that our Playford residents will join us also at a small fee for tea/coffee/biscuit.

PLAYFORD PARISH HALL

On Monday 3rd June there was a lovely gathering of folk who had joined us in Playford for tea and cakes.

The sun was shining and there was lots of chit chat. We were there for quite a sad event; to say goodbye to June Gosling who throughout the years has held many a village post but on this occasion it was to say Thank You and goodbye for the huge amount of time and effort in her role as booking officer for the hall. This, and I have so far only had a taster, is a demanding role and time consuming. Mrs G was 'the face' of the hall and has, over the years, become known to many she has been a fantastic ambassador for the Parish Hall and being part of making it a very sought after venue. Her popularity was further endorsed by the fantastic array of goodies on the cake table.

Thank you all for coming along, and I am sure I speak for all in wishing June the very best of everything and saying you will always have a place in our hearts and thank you.

May also saw the AGM where we sadly also said farewell to Trisha Laws who has chaired the committee and was a very important person in accruing the funds for our beautiful Parish Hall. We also bade farewell to Chris Cocksedge who had been a trustee for many a year. We thank them very much.

Running a hall successfully takes a team of people and from that team the

new chairperson is Judith Dunnett who has been involved in the Hall for many a year too! We thank you for taking on this post and wish you well. We hope to have new members and will report on our next meeting but for now:

ST. BOTOLPH'S

THANKFUL VILLAGE RUN

31ST JULY 2013

Following the successful Bridge Drive and Afternoon Tea on the 15th May, which raised £1,200 it is time to turn our thoughts to the visit of Medwyn Parry and Dougie Bancroft, the two motorcyclists from Wales, whose idea it was to visit all 51 Thankful Villages in the United Kingdom and raise £51,000 for The Royal British Legion.

As you are aware, Culpho is one of only two Thankful Villages in Suffolk who lost no men in the Great War and a Service of thanks and celebration will be held in the Church at 9.30 a.m. on Wednesday 31st July when the Motorcyclists arrive in Culpho. Their schedule only allows them to be with us for forty-five minutes.

Medwyn and Dougie will be accompanied by 'support outriders'; Harley Davidson 'bikers', a representative of the Royal British Legion, a television crew and press personnel. They have their own Press Relations Officer who has liaised with local media and police.

Journalists/photographers from the East Anglian Daily Times and the Grundisburgh News will be present.

As well as raising money for their chosen charity, the 2,500-mile journey throughout the U.K. is being filmed, for publication in 2014, to coincide with the centenary of the First World War.

We are hopeful that the Woodbridge Branch of the Royal British Legion will be present, together with local Girl Guides who are welcoming riders in all 51 Villages. (The Girl Guide movement is also being promoted and its' profile raised during the event). We are most grateful for the support of the local

Branch of the Royal British Legion and the Girl Guide movement.

Following the short Service cheques will be presented from money raised from the Bridge Drive and that donated by the Church and resident community. The Village will also be presented with a plaque denoting its' Thankful Village status.

The event is borne out of respect and gratitude for those who returned safe from the Great War and in remembrance of those who sacrificed so much. It is unlikely that we shall ever witness, or be part of such a celebration again and a warm welcome is extended to everyone in the village and surrounding communities to share in this wonderful occasion.

Should arrangements, and in particular timings, change we shall do everything we can to communicate these to you.

The Wednesday morning Holy Communion Service will still take place, but at the later time of 11 a.m.

Thank you again for all your support. The Rev'd Canon Pauline Stentiford looks forward to welcoming you all at this very special service.
