## JUNE 2014

---

### A49 – A 38 – A30 – HOME

It may be very different for you but certain roads, some songs and one or two poems give me a sense of longing, a sense of excitement and sometimes memory of promises to keep. In my youth the A38 was the road out of the West Country and childhood - the way to university, adulthood and pastures new.

And then somehow the same road, the A38, became the way home to where I belonged, the way back to old friends, shared experiences and possibly nostalgia. I feel a bit wary of nostalgia - Blue remembered hills are best kept as memories because the only thing more certain than death and taxes is change.... "You won't even recognise the road," becomes truer with each passing year.

When we are young we welcome change. As a newly qualified teacher I was given the joy of Friday morning Hymn practise – once a week for forty minutes- with the whole school - in the hall - after assembly. I learnt that if I showed enough 'wellie' my children would join in and give singing their joy and enthusiasm.

Some say 'Nostalgia is not what it used to be' but the other day I discovered that my favourite hymn is still the second most popular for assembly in primary schools forty years later - Travelling on - '*one more step along the World I go, from the old things to the new...*', Teachers, and possibly a few children, enjoy the upbeat optimism and a sense that change is welcome.

*'Give me courage when the world is rough; keep me loving though the world is tough, Leap and sing in all I do, keep me travelling along with you'*.

Now that I have put this song back into your head ask yourself how Sydney Carter expressed his faith - the need for dance, company, fun and the need to accept life's daily task of travelling on. Sydney wrote, "*In the kingdom of heaven is my end and my beginning, and the road I must travel night and day*"

## THE LIZARD TO LAND'S END CHARITY TREK FOR ALZHEIMER'S SOCIETY

*Julia Dowrick (of Richards Drive,  
Little Bealings)*

On 5<sup>th</sup> June, I will be travelling down to Cornwall to take part in a 46 mile charity walk over 4 days between The Lizard and Land's End for the Alzheimer's Society. It is a coastal walk that is both beautiful and tough going.

I wanted to find a challenge to celebrate my 50<sup>th</sup> year and take me out of my comfort zone and when I was surfing the internet one evening this jumped out at me.

However, the walk poses an even greater challenge for me which is that I will be camping for 3 nights. Anyone who knows me well will realise that I'm not a natural camper for a number of reasons, one being that I'm a very poor sleeper, and need virtually perfect sleeping conditions to get my 7-8 hours. I'm also surgically attached to my hair-dryer and straighteners as my hair au natural can only be described as mad. I have already found a solution to the second problem - gas powered hair straighteners - where there is a will, there is a way!

A friend of mine (Joanna Crosby) is joining me on the walk and we have been training every weekend since mid-January. We began in January with a 5 mile walk, and over the Easter weekend we completed both an 8 & 12 mile walk. Next weekend we will be upping the distance to 14 miles for the first time.

Other things planned for the year are visiting every vineyard in East Anglia and learning to say "Cheers" in 50 languages. I always think it's important to have balance in your life!

My charity donation target for the event is £600. Should anyone like to sponsor me, please visit;

## RENEWABLE HEAT INCENTIVE

This government initiative pays homeowners for 7 years to heat their homes with renewable forms of heating (Biomass boilers and Heat pumps). The advantages are that besides covering the cost of installing the product, there is an income to be generated. Then in the longer term, there are substantial fuel savings to be made; wood pellets for biomass boilers are 40% cheaper than oil. We feel this is something homeowners are not yet aware of and due to ever-increasing fuel bills, may like to know more about. Contact:

## **BEALINGS**

---

### **BEALINGS WI**

At the April meeting Mr Robert Halliday narrated the exploits of Billy and Charley, 18<sup>th</sup> century mudlarks who discovered ancient metal badges and icons on the banks of the River Thames. Finding a lucrative market for their treasures, they increased their income by forging their own "antiques" After initial success their forgeries were discovered and a long history of court cases followed.

The May meeting and Mr Peter Carr arrived at the Village Hall with two spinning wheels and tools of the trade to illustrate his talk "From Sheep to Woolly Coat". Centre stage was an untreated fleece and Peter explained the preferred choice of material for spinning with many examples. Using a distaff to spin a fine thread and on to the spinning wheel, he told of the craft's ancient his-

tory. Many items of his work from light and lacy shawls to a wonderfully warm jacket made and modelled by Peter, and a cosy knitted hat which he donated to the WI collection of hats for seafarers.

The Resolution on Organ Donation for the National WI Meeting in Leeds was discussed and a newsletter was available giving details of forthcoming events in the summer.

### **JOYCE JONES**

When living in Bealings Joyce was a loyal WI member and a good friend, A talented needlewoman, she was an inspiration to many with her successful show and competition exhibits.

## GREAT BEALINGS

---

### ST MARY'S

The process for finding our new priest is moving steadily on. We have had the first meeting (called, for what it's worth, a Section 11 meeting), and the Benefice Profile Document was agreed and accepted by those present. This will now be presented to a final (Section 12) meeting, with the Archdeacon present, on June 2<sup>nd</sup>, and will then be used by the diocese to advertise for applications for the vacant post. Thereafter it is fingers-tightly-crossed time.

### LOOKING BACK

It was good to meet up again with Robert A Moor, all the way from Cornwall, and a descendant of Canon Moor,

the 19<sup>th</sup> century Rector who drastically changed St Mary's. Robert comes from the Truro Diocese, and is responsible for Memorial Stability Testing – most of our memorials are fairly sturdy, to our amateur eyes and drew no professional comment from him, but he did buy a couple of copies of the History of the Church, and attended the family service in Little Bealings on May 18<sup>th</sup>.

We were also pleased to welcome Bishop John Wayne, now living in Grun-disburgh, to our service on May 11<sup>th</sup>. We are lucky that all the spaces on the service roster have been filled by a range of local ministers, and are grateful to them all for their support.

## **LOOKING AHEAD**

### **SERVICES**

Our services in June are:

Sunday 1<sup>st</sup>: Songs of Praise at 10.00 am

Sunday 8<sup>th</sup>: 8.00 Holy Communion – even if you are not a regular you may find this service, early on a summer's day, particularly uplifting.

There are no services on the middle two Sundays, but, of course, there will be services held in the other parishes in the Benefice.

Sunday 29<sup>th</sup> June: 8-00 Holy Communion – and do please note that this is the day on which Philip Merry will be ordained. The service is in the cathedral at 10-00 am, so there will be just time to make it, as long as you have had an early breakfast.

Do please also make a note of the Quoits match arranged for 2.00 – 4.00 pm on Sunday August 3<sup>rd</sup> – this is an additional prelude to our WW1 service.

### **CHURCHYARD**

Recent rains have led to a growth spurt, particularly of nettles. The paths have been cleared, and some of the nettles trimmed, so access should be fine. Do take advantage of the peacefulness of the setting. It is always surprising how often relative strangers just drop by for a moment's peace, maybe in the middle or at the end of a working day, maybe as part of a leisurely bike tour of the countryside.

Please note that the path round the East end of the church remains diverted, because of the possible risk of falling masonry from the East wall/window. The problem is being dealt with as part of our long-term plan, expertly and energetically pursued by Charles Barrington. Our thanks too, to Peter Prentice for dealing with this problem and for ensuring a clear-up of the drainage system.

Another problem briefly occurred in the shape of a beehive close to the en-

trance gate. No need to be alarmed. This was temporarily put in place by beekeeper, John Waspe (you might also see him at the Suffolk Show herding geese with his sheepdogs!). The bees from the other side of the brick wall had decided to swarm, so John was trying to recapture the swarm.

Do let us know of any sightings of barn owls in the vicinity of the two Suffolk Wildlife Trust nesting boxes in the churchyard.

*Churchwarden*

## **A CENTENARY COMMEMORATION**

In 1913 the Great Bealings Quoits Team were crowned Champions of Suffolk. The players in the Team were: G.Waters, J.Mills, J.Emmerson, H.Death, D.Hockley and J.Adams. The Umpire was F.Etheridge, the scorer E.Grindell.

One year later the Great War began and like so many villages in our country, memorials were built to commemorate the names of those who made the ultimate sacrifice. Their names appear on our War Memorial. Sadly some of the young men in the above successful team are also named on that list. There are many important reasons for us not to forget those who gave their lives in the Great War and such reasons will be expressed in many ways on August 3<sup>rd</sup> throughout the land, including in our own church. It therefore seems fitting, in view of the link shown, to re-introduce the game of quoits in reflective memory of the Great Bealings Quoits Champions of Suffolk. 1911/12/13

We have the pitch, kindly provided by Andy and Eunice Mayhew – we have the Quoits equipment – what we need now are the teams. In the spirit of the occasion, Great Bealings would like to issue a challenge to the other villages in our Benefice to a Quoits match, played under the same rules as those who

played in 1913. A team will consist of 6 players and to acknowledge the changes in present society, there should be 3 gentlemen and 3 ladies. Dress for the men is recommended as tie, waistcoat and flat cap (see 1913 photo) for the ladies, preferably a long

dress/skirt and summer hat. An umpire and scorer will be provided and a copy, beforehand, of the rules of the game. So come on, Little Bealings, Playford and Culpho – the hour of challenge has arrived.

*Roger Roseboom*

### FRIENDS OF GREAT BEALINGS CHURCH PLANT SALE

Our grateful thanks to all who, in their many and various ways, supported this year's Plant Sale. The display of plants, and the quantity of them available for purchase was probably as good, if not better than on any previous occasion. A mild winter had obviously been to our green-fingered advantage. Despite the weather on the day large quantities were sold, leaving only a relatively small number to be collected by the Suffolk Wildlife Trust for their own Plant Sale.

The cakes table did good business, and there was an imaginative addition, suggested by Olivia Haywood Smith, in the colourful offerings to the Great Bealings Bake-Off – on a flower/plant theme. Our particular thanks to providers of Raffle Prizes – we had over 20 prizes, generously provided by local businesses (acknowledged in the programme) and kind individuals. We also had a table devoted to Eric Richardson's splendidly crafted walking sticks, and a Roseboom display of pictures of the stage, available for purchase. We also had, for the first time, our very own customised floor covering – without it, the floor of the

Village Hall would suffer from muddy footprints and general plant-related mess. Innovation is of the essence! While it is invidious to mention individuals, perhaps we should make an exception in mentioning Mick Peck – not only did his plants fill 4 tables, but he also raised close on a quarter of the total takings. A brilliant effort on his part.

The result of it all? Despite a dreary, drizzly morning, the event was well attended, and spirits were undampened, so we realised around £2,120, a great achievement which reflects well on all concerned. Thank you all.

While it is great to be able to shut down and relax for the Summer, we always have to plan ahead, so could those involved please make a note of **Monday March 2<sup>nd</sup> 2015** for the Preliminary Meeting and **Saturday April 25<sup>th</sup> for Plant Sale 2015**. In the meantime enjoy your gardens, with all those lovely new plants.

#### **GREAT BEALINGS OPEN GARDENS Sunday 15<sup>th</sup> June 2014**

**2.00 - 5.00 pm**

Thirteen gardens in Great Bealings will be opening on the 15<sup>th</sup> June and everyone in the Benefice, their families and friends are welcome to visit and enjoy them. The ticket price is £6 per family (£3 for individuals) which includes a cup of tea or coffee and biscuits at Rosery Farm at the end of the afternoon and entry to the BBQ and Bar which we hope all visitors will stay for. There is a free can of Adnams for any father who brings a Fathers Day Card with them (limited to one can per person!) Tickets are available in advance from Sally Johnson, Norman Porter or Sue Prentice, or from any of the gardens that are opening.

Our thanks go to the people who are opening their gardens.

#### **CRICKET - Sunday 22<sup>nd</sup> June**

The pitch is being prepared for the annual cricket match and players, young

and old are getting their whites (and not so whites) ready in anticipation. In addition to those aspiring to impress the England selectors, we need people to help with the refreshments. If you are able to assist, please contact Jonathan or Farran Douse [farran@douse.org](mailto:farran@douse.org).

## **EAST ANGLIA THREE CONSULTATION EVENTS**

In September 2013 East Anglia THREE Limited (a subsidiary of East Anglia Offshore Wind Limited and 50/50 joint venture between ScottishPower Renewables and Vattenfall) published a Statement of Community Consultation, outlining how we would consult with local communities and businesses throughout our development of the proposed East Anglia THREE Offshore Windfarm.

In June we will be hosting consultation drop-in events, in line with Section 42 and Section 47 of the Planning Act 2008, giving you the opportunity to meet the project team, review the Preliminary Environmental Information Report and ask any questions you may have. We welcome everyone to attend.

## LET THERE BE LIGHT

Thank you for a bumper bundle in May Coco and I are definitely becoming leaner !

On the 6<sup>th</sup>, in memory of her father Bill Boughton's birthday, Margaret Roseboom switched them on. He would have been 93. Bill was a Coastal Command pilot during the war looking for U.Boats in the Bay of Biscay.

The next day – 7<sup>th</sup> – they also shone for Eddie Barrett, remembered by Anne and family and many others for this true Suffolk gentleman.

On 8<sup>th</sup>, our own Stadium of Light appeared to warm Andrew Reed's heart as his beloved Sunderland retained their Premiership status.

The 9<sup>th</sup> celebrated the life of Lt Col James Goodson at Melanie Brookes' request. James died aged 91 after an amazing life which you will be able to learn about in a separate section of this magazine.

The 10<sup>th</sup> saw the birthday lights for Michael Crimp, who married Paddy H-S daughter at St Mary's in 1988.

I'm looking forward to a repeat lights request in September! Not to be outdone I celebrated West Ham's continued life in the Premier League on the 11<sup>th</sup> – Sadly Ipswich Town F.C. devotees were unable to follow.

On 13<sup>th</sup> Florence Haywood Smith reached the elderly age of 15 – Oh happy days!

Then to finish this carousel of requests, Margaret and I celebrated a double whammy of our 17<sup>th</sup> Wedding anniversary and Henrietta's baptism on 24<sup>th</sup>. (We found each other 25 years ago)

Thanks to all who booked the lights for their special occasion – keep them rolling in so that I can avoid going to a keep fit club !

Best Wishes

## LT.COL JAMES GOODSON USAAF (died 1 May 2014)

Sometimes in life one comes across by chance extraordinary people and James Goodson is one. I wonder how many of you last week saw a lone Spitfire flying through the Suffolk skies with the unique sound of its Merlin engine emphasising the sheer beauty of this classic aeroplane. As a boy I was evacuated to a small village in the Sussex Downs where I used to stand and watch the vapour trails as the R.A.F fought off the Luftwaffe in the Battle of Britain. My excitement knew no bounds as the sounds of the engines were sometimes followed by planes being shot down , all of which I believed were German !

The lone Spitfire I saw last week gave a victory roll over Great Bealings, thanks to Melanie Brooks of Boot Street whose family had close friendship ties with James Goodson. His funeral in Canada took place whilst the lights were on in memory of his time in England as a fighter pilot, firstly with the R.A.F. and then with the U.S.A.A.F. when America entered the war. His skill elevated to him becoming a fighter ace with 32 "kills" . Like many other American air crew he was shot down during a raid over Berlin and was captured and imprisoned in Stalag Luft III , the infamous camp on which "The Great Escape" was based. There is however so much more that this unique Canadian experienced and achieved during his life, full details of which can be seen on [www.theglobeandmail.com](http://www.theglobeandmail.com) – Please have a look at the history of this remarkable man who was buried with full military honours and a flypast by the R.C.A.F. In addition I have a further detailed copy originated by Melanie Brooks which I shall be pleased to let anyone have. Lt.Col James Goodson we salute you and all those other air crew who flew from East Anglia.

### **ALL SAINTS**

#### **CHURCH ROOF**

#### **AND TOWER REPAIRS**

The PCC have known for some time that the roof on the North side of the church needed to be retiled. After two freezing winters and the previous very wet one it has taken its toll on the roof. Our surveyor's report shows that the roof timbers under the tiling are showing signs of rotting. We have been advised that new timbers and tiles are needed. Also some repairs are needed on the south side of the tower where some of the stone work has come away, also due to weather conditions

This all comes at a cost, a very big cost for our small church - £35,000. The PCC have had three tenders for the work and have accepted the lowest and we all agree that the work needs to be done and completed, if possible, by the winter.

We will be applying for grants, but will be expected to find a large proportion of the sum. An appeal will be launched to all our parishioners asking for your help. Anyone willing to do some fundraising would be very much appreciated. We will be keeping you up to date as we proceed with these works

Our church has been here for over a thousand years and all those who have gone before us have kept it in good order. We must do the same.

#### **SECRETARY NEEDED FOR LITTLE BEALINGS PCC**

Unfortunately our secretary for this coming year has had to withdraw her services due to an unexpected relocation, leaving the PCC without a secretary. Do you have these skills and would be able to fill in, even for a short while? There are 4 meetings a year needing minutes to be taken and written up to be distributed. (all members are on email, so no on foot deliveries). If you could help

please contact me for further details. Your help would be much appreciated.

#### **PHILIP MERRY'S ORDINATION AT THE CATHEDRAL**

Philip will be ordained to become a Deacon on Sunday June 29<sup>th</sup> at 10.00am at Bury Cathedral. The 10.00am service in our Benefice has been cancelled so that parishioners will be free to go to the Cathedral to support him. There will still be the 8.00 Holy Communion service at Great. Bealings as usual. We hope that many of you from Little Bealings will want to be there. Philip still has another year of study before he is ordained as a priest. We are particularly grateful to Philip during the interregnum as he is giving much support to our ministry team as well as our visiting clergy (and he has a full time day job as well!!). We congratulate him on his success so far and hope many will be there for him on June 29<sup>th</sup>

#### **LET THERE BE LIGHT**

On Wednesday 23<sup>rd</sup> April the lights went on to mark a double celebration, the anniversary of St George our patron saint and the birthday of William Shakespeare.

Tribute was paid to the members of the Commonwealth forces who were our allies in WW1 and WW2 on Anzac Day, Friday 25<sup>th</sup> April.

May is an important month in the calendar of the Cheeseman family of Rosemead, The Street, Little Bealings as William celebrated his 15<sup>th</sup> birthday on Wednesday 7<sup>th</sup> May and brother Alexander enjoyed his 19<sup>th</sup> birthday on Saturday 17<sup>th</sup> May – best wishes to you both.

A family celebration or a significant historical event or just to see our beautiful

church illuminated – play your part in remembering and support All Saints.

£5 or a cheque payable to Little Bealings PCC to Parkside Cottage, Little Bealings. 01473 626845

## **LITTLE BEALINGS PARISH COUNCIL**

Notes of the Parish Council Meeting held on 24 March 2014

### **PLANNING**

#### **DC/14/0449/FUL: Erection of a stable block and ménage area: Beacon House, Playford Road**

There was no objection to this application.

#### **Notes of the Annual Parish Council Meeting held on 12 May 2014**

#### **ELECTIONS AND APPOINTMENTS FOR 2014/15:**

Chairman:

Ferial Rogers

Vice Chairman:

Margaret Wilson

Village Hall Management Committee Representative:

Toni Cornish

Suffolk Association of Local Councils Representative (SALC):

Ferial Rogers

Footpath and Tree Warden:

Jenny Cook

Webmaster:

Jenny Shaw, Margaret Wilson

Revised Standing Orders were adopted.

### **PLANNING**

#### **DC/14/1125/OUT: Valcot/Acacia Cottages, The Street: Demolition of existing two dwellings, workshop unit and associated outbuildings. Erection of four dwellings with garages and creation of new centralised vehicular access.**

The views of local residents were available to the Council, both support and opposition. It was resolved to object to the application as over-development of the site, the design was out of character

with the street scene and there were traffic and environmental concerns. There was concern that 'back land' development would set a precedent. A smaller development which reflected the current housing density would be supported.

### **FOXHALL STADIUM**

SCDC had agreed a new operating formula without consultation. It was agreed to invite an officer to the Council meeting in September to explain concerns further.

### **EAOW**

Consultation on EAOW3 was due shortly. There was no decision on EAOW1 and it was not yet known if all the cabling would be installed at the same time.

### **STABLES OPPOSITE BRIMAR, THE STREET**

There was concern about parking, which was not taking place within the site as intended.

### **IPSWICH GARDEN SUBURB**

Presentation information about this development had been circulated to Councillors. There was concern that a new access on to Tuddenham Road would slow journey times into Ipswich.

### **TREE WORKS**

There was no objection to proposed tree works at The Chestnuts, Martlesham Road. SCDC had given permission for tree works at Oakfield, Playford Road.

### **PROPOSED CONSERVATION AREA FOR LITTLE BEALINGS**

The views of local residents were available to the Council. Most of those who had responded were against the proposal, as overly restrictive on residents and because the village was not of especial architectural merit. The trees were valued, but it was considered that protection by TPO was more appropriate. It was resolved not to proceed with an application to SCDC. A tree survey would be considered further.

### **PUBLIC SEWER FOR THE STREET**

Application had been made to Anglian Water and an initial site inspection was planned for 27 May.

### **ELECTORAL REVIEW OF SUFFOLK COASTAL**

It was noted that Woodbridge Town Council and Great Bealings and Hasleston Parish Council agreed that the parishes should not be included in a Woodbridge ward. The Electoral Commission's recommendations were due on 29 July.

### **POLICE**

The next 12PT meeting would be attended by Mrs Wilson as Mrs Cornish was unavailable.

### **FOOTPATHS**

SCC had confirmed funding for footpath cutting and Mr Ball would carry out the cutting again.

**Walkers are reminded that there is no public footpath or permission to walk along the river from the footbridge by the white bridge over the River Lark.**

**The permissive footpath between Great and Little Bealings runs only from the wooden village sign, along the edge of the field parallel to the road and ends opposite the Playing Field path.**

**There is also no public footpath or permission to continue around the field to join the Manor Farm track. Walkers should only use the permitted route.**

### **FINANCE**

Updated Financial Regulations were adopted. The internal audit for 2013/14 had been completed and the external audit was approved for return. The first half of the precept, £3025.25, had been received from SCDC. Cheques were signed for annual subscriptions to Suffolk Association of Local Councils, Community Action Suffolk and the Suffolk Preservation Society, for donations to the Village Hall and Playing Field, the Benefice Magazine and the internal

auditor, and for the Clerk's salary, annual allowance and expenses and for PAYE.

### **LOCALITY BUDGET**

District Councillor Tony Fryatt had £6,000 available to fund local capital projects in his ward. Please contact the Clerk if you have any suggestions.

### **NEXT MEETING**

The next scheduled meeting of the Parish Council will be on Monday 7 July 2014. During the first 15 minutes of all Council meetings the public are welcome to raise any matters of concern with Councillors. The public may also speak for a maximum of 3 minutes on any item on the Agenda at the beginning of that item.

The approved minutes of Parish Council meetings are available on the Council's website.

## PARISH COUNCIL

These are condensed notes of the proceedings of the Playford's Annual Parish Council meeting held on the 7th May 2014. A full version of the minutes appears on the website: [www.playford.org.uk](http://www.playford.org.uk)

### THE ANNUAL PARISH MEETING

This was held in Playford Village Hall and attended by councillors and residents. They were welcomed by the Chairman, Joan Metcalfe and refreshments were served. Joan then read out her report on the year's activities – a full copy of this report can be seen on the website.

County Councillor Peter Bellfield was unfortunately unable to attend due to illness but District Councillor Steven Hudson reported on Planning issues, EAOW, Northern Development of Ipswich, Finance and the latest from the Boundary Commission.

The Police were also unable to attend.

### ELECTION AND APPOINTMENTS FOR 2014/15

Joan Metcalfe was voted in as Chairman for the forthcoming year and accepted. Steve Hicks is happy to continue as Vice-Chairman and Joan Metcalfe will continue as Parish Hall rep and as the 12PT/SNT rep. Veronica Bunbury will continue as Footpaths Officer and Mr Paul Gardiner is willing to continue in his role as Internal Auditor.

### ACTION POINT REVIEW

The two grit bins smashed by SCC verge-trimming vehicle last June will be replaced soon – the delay was caused by change of staff in Highways dept. The fallen tree blocking FP no. 20 has been cleared but overhanging branches further down the track have now been reported. Byway 19 is now dry enough for repairs to be carried out – the

clerk will investigate whether this can be reverted to a Bridle Way to prevent vehicles damaging it in future bad weather. Contractors working in Church Lane will look into fixing the broken underground pipe causing problems of water seepage. See Action log appended to the Minutes on the website for more details of these items.

### FINANCE

The accounts for year ended 31<sup>st</sup> March 2014 have passed the internal audit. The Annual Return and Statement of Accounts 2013/14 were approved and adopted by the Council and will be sent to BDO LLP shortly for the intermediate and external audits. The first instalment of the Precept has been received (£2,250) together with the Precept grant (£155.21). Cheques were authorised for SALC subscription, Clerk's expenses, annual insurance renewal and the internal audit fee. Amendments to the Financial Standing Orders were approved to enable online banking to be arranged at a future point. Clerk to investigate the merits of possibly changing the present banking arrangements. The various sand bins in the village have been re-valued at £700 – this includes the two new ones, which are about to be installed.

### HIGHWAYS

It was felt that road signs and street name signs could be cleaner. Parishioners are to be requested to wipe any signs near to their homes if at all possible.

### OTHER MATTERS

An auction is to be held in the Parish Hall on Wednesday 25<sup>th</sup> June to auction the five Pocock paintings – details will advertised around the village soon. Quotes have been obtained for a basketball post & net and for concreting the post into an area on the playing field, Clerk to ascertain whether

available Outdoor Playspace Funds may be used for this. Headway, Ipswich & E.Suffolk have requested permission to park their mobile charity shop van in the village on a regular basis. Quotes have also been obtained for renovating the village sign & notice board.
