### **“Not war at any price but love at all costs” – *War & Peace***

I recently took the cremation of a 93 yr old aunt, Rosemary. She was an intelligent and witty woman, a gifted poet, and a loving mother, grandmother and friend. Rosemary brought up her 6 children on her own when there was still social stigma attached to divorce. She was shocked and deeply saddened when her husband deserted the young family but never expressed any animosity towards him, indeed they remained good friends.

Like so many, Rosemary had a faith in God and was a deeply spiritual person but didn't go to church regularly. Despite being (or perhaps because she was!) the daughter and daughter-in-law of clergymen she had fallen out of love with the Church and its liturgy. My cousin explained that “Mum” wouldn't want a “Churchy service or too much pious God stuff” but something that would celebrate her rich life and have meaning for those didn't “do” religion. Between us we created a service that was a tribute to Rosemary and seemed to have meaning for those who attended.

Rosemary's father was the charismatic and well-known vicar of St Martin in the Fields during World War 1, Dick Sheppard. He found himself unable to cope with the horrors of war when he served briefly as a padre in the trenches in 1914. He became the vicar of the then fashionable and society church, St Martin in the Fields in central London. Through his impassioned ministry he transformed its mission to one of outreach to the marginalised and of pacifism. He opened the doors to all. The crypt was converted to offer shelter to soldiers returning from the front and supporters of conscientious objectors pacifists were invited to preach!

We live with paradoxes. St Martins has two private galleries – one for Buckingham Palace, (a very opulent home!) and the other for the Admiralty (hardly likely to sympathise with Pacifism). Dick Sheppard's response to war was to honour the servicemen and to support pacifism; he was responsible for creating the annual Festival of Remembrance and often said “Not war at any price but love at all costs”. He was an inspiration to thousands in the 1920s and 30s and his vision of justice, peace, inclusiveness and work with the homeless continues today. St Martins in the Fields stands next to the South African High Commission and was one of the first churches to speak out against apartheid.

Nelson Mandela and Rosemary were born and died at much the same time but in very different circumstances. However they were shaped by the same historical events and believed in the value of forgiveness, hope, freedom, acceptance and friendship. Mandela said “I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear.” This year, as we are being constantly reminded, marks the centenary of the start of the “war to end all wars”. We revere peacemakers, those who take a brave step for justice. Can we, like Dick Sheppard, Gandhi, Gorbachev and Mandela, stand up for what we believe is right and embrace the “other” in an act of love? They have a bit of Christ about them – He embraced the outsiders and calls us to love the unlovable and touch the untouchable. Who or what is the “other” that we embrace?

### FORTHCOMING ACTS OF WORSHIP

#### ASH WEDNESDAY

There will be a service of Holy Communion at St Botolph's Church, Culpho, at 10.30 am on Wednesday 5<sup>th</sup> March to begin our observance of Lent.

**The Annunciation of Our Lord to the Blessed Virgin Mary** will be celebrated in St Mary's Church Playford at 7.30 pm on the 25<sup>th</sup> March, with a Eucharist celebrated by the Rev Canon David Lowe.

**A service of Compline** will be held in each of the Benefice churches during Holy Week, at 7.00 pm, lasting approximately 20 minutes;

Sunday 13 <sup>th</sup> April (Palm Sunday)	St Botolph's, Culpho
Monday 14 <sup>th</sup> April	St Mary's, Playford
Tuesday 15 <sup>th</sup> April	All Saints, Little Bealings
Wednesday 16 <sup>th</sup> April	St Mary's, Great Bealings

The usual **Good Friday** workshop will be held in the Angela Cobbold Hall from 10.00 am -12.00; notice of all Easter services will follow in the April edition of the Benefice magazine.

#### SPECIAL SERVICE

##### Commemoration of the beginning of World War One

Outline plans are in place for a special service marking the outbreak of the First World War. The assassination of Archduke Ferdinand in Sarajevo, the initial *casus belli*, took place on June 28<sup>th</sup> 1914, and the first shots were fired on July 28<sup>th</sup> 1914.

This service is planned for **6-00 pm on Sunday August 3<sup>rd</sup>, in St Mary's Church, Great Bealings**. It will take the place of the 10.00 am service previously scheduled for that day. The service will be taken by Diana Gardiner, with the assistance of Philip Merry.

No details have yet been finalised, but it is expected that the service will consist of readings and music loosely held together by a narrative. It will be aimed at all four parishes of the Benefice, recalling that three of the four parishes recorded significant loss of life in the course of the conflict.

It is hoped that we may be able to assemble memorabilia, records, books, pictures, letters etc relevant to this commemoration. To that end all parishioners are invited to search through albums and attics to see whether they might be able to turn up any personal memorabilia, however small, and contact Norman Porter [nhp@rillcott.co.uk](mailto:nhp@rillcott.co.uk) with a view to making a temporary loan of these items. It would be good to be able to stage a small exhibition for a period before the service.

You are invited to join us in a historic commemoration of the start of the war that was supposed to end all wars, but which is now remembered as the most brutal and destructive that the world has ever known.

## **INTERREGNUM AND THE APPOINTMENT OF A NEW PRIEST**

Most people know that we are in a state of Interregnum. We have no priest, but have begun the process of searching for Pauline's successor. We are being guided through this process by our Rural Dean, Rev Clare Sanders, and by the Lay Chair of the Deanery, Tony Allwood. In the meantime Clare is responsible for dealing with weddings, funerals etc.

### **AN OUTLINE OF THE PROCESS FOR APPOINTING A NEW PRIEST**

#### **INITIAL MEETING**

Churchwardens of all four parishes, together with the Ministry team, have met with Clare and Tony in January to chart the way ahead, and to consider the options. At that meeting we were given four options as to the type of post we would like to advertise. It was unanimously agreed that we would go for:

- a/ (Preferred) a half-time post – similar to what we had before.
- b/ (Possible) A House-for-duty post – the incumbent would have the use of the Benefice house, in exchange for duty. The house in Playford will continue to be rented out over the next 6 months while a successor to Pauline is sought.

#### **PCC MEETINGS AND THE APPOINTMENT OF REPRESENTATIVES**

Each PCC will elect TWO representatives to the appointments committee. They are also invited to discuss the type of priest they would like, and to identify the way ahead for the church in their village. All relevant PCC meetings will have taken place by early March and decisions taken.

#### **BENEFICE PROFILE**

The drawing up of the Benefice Profile is an important part of the process for attracting applicants for the post. To put it figuratively: this is the bait that can be used to attract different kinds of fish. Different baits attract different sorts of fish, so we need to draw up a profile to attract the sort of priest we are looking for. Norman Porter has undertaken to produce this profile with the help of representatives from the other parishes. Profiles can benefit from use of multi-media, and can appear on websites. Our profile has to be in place by mid-May.

## **SECTION 11 AND SECTION 12 MEETINGS**

These conclude the process at local level. At the section 11 meeting the 8 parish representatives meet with the Rural Dean and finalise the Parish Profile. This meeting takes place on **Tuesday May 13<sup>th</sup> in the Angela Cobbold Hall**. At the Section 12 meeting on **Monday 2<sup>nd</sup> June**, again in the **Angela Cobbold Hall**, with the Archdeacon present, the Benefice Profile is presented, and the final decisions are taken, based on the wishes of the representatives. The Bishop is notified of the outcome and will then authorize the advertising of the post.

## **APPOINTMENT**

Applications for the advertised post will go to the Diocese for consideration by the Bishop who offers the Benefice a selection of candidates for interview. It is the Bishop who makes the appointment, taking into consideration the wishes of the Benefice Appointment panel.

## **TIME SCALE**

Priests who apply and who are already in post have to give 3 months notice, so it is unlikely that anyone will be in place before the autumn. Experience suggests that a year or more is the likely duration of an Interregnum. Fortunately Pauline arranged services for virtually the whole of 2014. Also Philip Merry will be ordained a deacon in 2014, and a Priest in 2015 so we will have an ordained Priest in our Benefice. However, as a non-stipendiary Minister, licensed only for this Benefice, he cannot be viewed as a replacement priest. We also have the support that comes from our association with the Carlford Group, based on Grundisburgh.

## **CONCLUSION**

We are strongly urged to consider the Interregnum as a period of opportunity, a time to plan for the future. The Benefice is a cohesive unit, with all four churches and congregations working together. This Magazine is an expression of that cohesion. The church is ultimately the people, and its values reside in parishioners. We invite all members of our parishes to work together through this interregnum, to help us to move towards a successful appointment, and to find a priest who will lead us into the future.

Town Lecture

**THE AMAZING STORY OF  
JOHN HEIGHAM STEGGALL -  
*Pip Wright***

**Museum Street Methodist Church,  
Ipswich**

**Thursday 13 March 2014**

**1.00 pm to 1.50 pm**

This is the true story of a local man who was born at Creting St. Mary and grew up in Wyverstone in Suffolk 200 years ago. He went to school at Walsham-le-Willows, where he ran away and joined a family of gypsies. Involved in the shooting of a gamekeeper, he was arrested at Norton, tried at Ixworth and imprisoned at Bury.

Later, he trained as a doctor at Bacton, sailed to the South Seas on a whaling ship, served with the army in India, was a surgeon at Rattlesden and ended his long life as a vicar at Great Ashfield.

It is certainly remarkable, but is it true? Pip Wright presents this tale as an illustrated talk.

Although admission is free, a retiring collection of £2.00 will be appreciated. This is to defray expenses incurred in hosting the series.

## **PAMPER NIGHT TO RAISE FUNDS FOR CHARITY AND LOCAL SCHOOL**

We are all suffering from the winter blues so what better way than to perk up than a bit of pampering, and what better time than near Mother's Day when all the ladies definitely deserve a treat?

We are holding a pamper night on Friday March 21 at Heath Primary School, Bell Lane, Kesgrave. Doors will open at 7.30 pm and the evening will finish at 10.00 pm.

The event is being organised jointly by local charity Home-Start Suffolk Coastal and Heath Primary School. All proceeds will be divided between the two.

Tickets £4 or £5 on the night and will include a glass of wine. Children (year 7 and up) £2 in advance and £2.50 on the night.

Tickets available from Heath School office, Tel 01473 622806 Home-Start Office 01473 621104 or 2<sup>nd</sup> Stop Shop, Kesgrave.

## **THINGS THAT GO BUMP IN THE NIGHT**

Quite frequently householders don't realise that they have uninvited 'guests' in their homes until they get woken up one night to hear things moving about in their roof spaces. This quiet, undisturbed part of the house is very often where a variety of pests are to be found.

Rats, mice and squirrels will not only keep you awake at night, they will happily chew wood, plastic pipes and wires, which could have disastrous consequences. Wasps and bees often use roof spaces and chimneys to build their nests and cluster flies will return year after year to hibernate in their hundreds, sometimes thousands, in favoured properties.

A new pest to the UK, the Harlequin La-

dybird, has also taken to hibernating in large numbers in lofts. Given the opportunity, some birds will also make their nests beneath your roof and a surprisingly large number of houses will have bats taking up residence at certain times of the year. So, what do you do about your unwanted guests?

## **ROOF SPACES ARE POTENTIALLY DANGEROUS PLACES**

Firstly, you need to find out what you've got – but a word of warning. Roof spaces are usually unpleasant and dangerous places to work in. Unless they have been fitted with retractable ladders and have been boarded out, they are often difficult and dangerous to access and investigate. Coming face to face with an angry squirrel or a swarm of wasps, in the dark, whilst balancing on rafters on all fours, is not to be recommended.

Secondly, you then need to decide what to do once you've identified the intruder – without breaking the Law. The UK has some of the oldest and most comprehensive Laws protecting wildlife of anywhere in the world.

## **EVEN PESTS HAVE LEGAL PROTECTION**

Let's take squirrels for example. You cannot simply throw some rat poison in and hope for the best as it is illegal to use rat or mouse poison against squirrels. In fact, no poison available to the Public is approved for use against these animals. Not that poisoning would be such a good idea, as they have a tendency to die in inaccessible places, which can render a property uninhabitable whilst it decays.

You can buy live-catch traps in some garden centres, but if you get lucky and catch one, what do you do with it then? As the grey squirrel is classed as an 'alien invasive species', it is illegal to release them into the wild. Once caught, they have to be despatched humanely and drowning them in a water butt is not considered humane. This is not ex-

plained on the instructions for use that come with the trap when you buy it though, is it? We would not recommend 'Doing It Yourself' with this particular species.

All birds in the UK, their nests and eggs, are protected by Law – even when they become a pest. A small number of species can be controlled, but only in certain ways and for particular reasons. Being a nuisance to you in your house is not a suitable reason. What do you do then?

All bats are protected by Law. It is even an offence to *disturb* a bat roost, with a potential fine of £5000 per bat. Some roosts can contain several dozen individuals, so that could be an expensive mistake to make. Fortunately bats do no harm at all, unless they are present in very large numbers, which is very rare.

Of course, if bats are present, treating the roof space for any pest then becomes a no-no, unless you get permission from the appropriate authorities, but would you know how to go about getting this? Would you even know you had bats?

**DEAL WITH THE PROBLEM QUICKLY, SAFELY AND EFFECTIVELY – CALL OUT A PROFESSIONAL**

Professional pest controllers spend a lot of time, effort and money in becoming

properly trained to deal with all these problems to give their customers safe and effective pest control services.

This training is checked by the National Pest Technicians Association (NPTA) before allowing companies or individuals to join. The NPTA also check that their members are properly insured for the work they carry out. This is particularly important when working in roof spaces. An uninsured tradesman that is injured on your property could end up suing you. The elite members of the Association, their 'Accredited Members', are also audited regularly to make sure they are operating to the highest industry standards.

The NPTA can help you find a professional pest controller near you to ensure a solution to your uninvited guests. They could also save you time and money in the long run compared to Doing It Yourself.

We hope for your support and look forward to seeing you all there.

### PRELIMINARY SALE MEETING

May we remind all helpers and committee members that preparation meeting for the sale is on **Monday March 3<sup>rd</sup> at 7.30 pm** and will be in the Angela Cobbold Hall, which is in Little Bealings.

We hope that this meeting will confirm that people will be prepared to take on the same responsibilities as in the previous years and this meeting will be about co-ordinating our efforts.

Please come, bring along your skills and enthusiasm and we will be very grateful for any help you can offer. If you are new to the villages or have not been involved with the Plant Sale

before, but would now like to be, you will be very welcome to come either on March 3<sup>rd</sup> or April 26<sup>th</sup> or better still both .

### THE FIRST ISSUE OF THE PARISH LEAFLET. JANUARY 1937. PRICE 1D

We thought that readers might like to see how the first-ever issue of the Magazine looked. (*See pages 16/17 & 18/19 Ed*)

It cost just one old penny (1d), but it was delivered whether paid for or not. Parishes still had a sexton in post (an officer who rings the church bell, attends the clergyman, digs graves etc). The Priest (Rev GH Round-Turner, who lived in Great Bealings Rectory) ran 5 Bealings (Little and Great) services every Sunday. Each of the two parishes had its own organist. The Rector begins his piece with "My dear People...He goes on to explain the purposes of the Leaflet, and how he had been inspired to set up the publication by the example of an older priest, who called the leaflet "his curate", (ie it faithfully visited every house in the two parishes once a month!), and who personally delivered it. The leaflet was to be "a simple record of village happenings". It was not just about the life of the church, but included news of The Rifle Club, the Pig Club, the Bowls Club, the Mothers' Union and the Women's Institute.

Roger Roseboom passed on a copy of this leaflet to Norman Porter for historical archival purposes, but readers might like to ask themselves whether things have changed all that much: our Magazine is still a record of all that goes on in the village and is free to every household (rather than costing one penny!).

Perhaps the major difference is that the church now plays a less central role in the life of our villages, and that Sundays are less exclusively dedicated to church services. There was certainly awareness of the world outside, as the Rector describes the situation in Europe as

"very unsettled". Eighteen months later we were at war. But faith was strong. The Rector concludes that "the precepts of the Gospel must be applied to our national life and to our International Relationships if we are to achieve anything real and lasting."

# TREASURE ISLAND

## 22nd - 23rd March

The cast, having passed rigorous auditions by their pronunciation of "Ooh Aar!" are now busy in rehearsal for our pantomime "Treasure Island" which takes place on Sat 22<sup>nd</sup> & Sun 23<sup>rd</sup> March evenings at the Bealings Village Hall Theatre.

Come and see how evil Long John Slither (Johnny Depp failed his audition for this part) and his motley band of raucous pirates, Pink Dog, Blind Puke, Israel Feet, Billy Fishbones, George Merry, to name but five, seek to find the secret treasure buried on lonely "Warden Porter's Island", despite the amorous intentions of widow Mrs Adriana Ladd, mother of dashing Jim Ladd, whose father Alan Ladd passed away some years ago.

Add to this unbelievable mixture, urbane wealthy Squire Pegg, his pretty daughter, Nancy, rugged old sea dog, Capt. Smellit, Doctor "where's my scalpel" Liversausage, double act Abercrombie & Fitch, Ship's Cook, Scurvey McFaggot, a stranded local M.P., a couple of singing Spanish Tapas, a Five foot Parrot and 5 feisty young mermaids and you will discover a Treasure Island beyond your wildest imagination! So, put your Pirate gear on m'hearties, and climb aboard "The Grand Pianola" – Book your tickets now – 12 years and under £3 – Over 12's - £6

### **ROGER ARTHUR GIBLIN BSC, PHD - 1939-2014**

We learned very recently of Roger's tragic death on the 16<sup>th</sup> January at his home here in Great Bealings. Since he and Margaret had moved here from Kent in 2006, Roger had become well known to local dog walkers, originally with his old Sheepdog, Purdy, and then after its death with his new dog, Minkie. I had known Roger for at least 30 years since we had both overlapped by 20 years in the Electrical Engineering Dept. at University College London (UCL) where he was a hugely popular lecturer and tutor with the undergraduates who appreciated his wit and dedication to teaching & learning. Typical quotes from him were "A giggle a day keeps the gloomies away" and his use of humour to create the most wonderful *aide-memoires* including "Ohmwork"! We even shared the same retirement party in 2004.

One of his hobbies was clay-pigeon shooting and this was developed into a research project at UCL when it was desired to phase out lead shot and replace it with something less toxic to the environment. Roger acquired some funding from the Government for his project to study the flight characteristics of the alternatives and happily for us he was able to test his theories at the famous Holland and Holland grounds at Northwood and the West Kent Shooting School at Paddock Wood. His work led to a definitive paper in the Proceedings of the Royal Society.

I know that many colleagues at UCL as well as local residents are deeply saddened at Roger's untimely departure. As a dog walker, I shall miss my random encounters with him and the jokes we used to share.

Our deepest condolences for their personal loss go to Margaret, to Ian and Alison, his children, and their families.

*John Midwinter*

### **ST MARY'S**

As you will see from a Benefice-wide item, we are now well into the process for seeking a successor to Pauline. By the time you read this, the Great Bealings appointments/profiling team will have been selected at the PCC meeting on February 26<sup>th</sup>. But please do not allow the selection process to be decided by just a handful of people. We value the thoughts of all in the village, and there will be opportunities to communicate these thoughts either at the Annual Parish Meeting in the church at 7-30 on April 2<sup>nd</sup>, or, indeed, at the gathering of the Friends of Great Bealings Church on Saturday April 12<sup>th</sup> at 11-00 am. And, please, don't think we are seeking conventional endorsement of what we already do. This is an opportunity for fresh thinking as to what the role of the church and its members should be in village life in the 21<sup>st</sup> century. We would be happy to engage in discussion anyone who thinks it should have no role at all!

In the meantime services have been held as before, and we are grateful to those who have made this possible.

### **LOOKING BACK**

We have been fortunate to have been able to welcome a range of new faces taking our services. We have already welcomed Canon David Lowe, and Canon Mark Sanders often enough to feel that they are becoming part of the village family. Philip Merry, Diana Gardiner and the Ministry Team have taken on their responsibilities and seem to be flourishing in their evolving roles. We thank them all for ensuring that the life

of the church goes on.

### **CHURCHYARD**

In the past couple of months we have all too often looked down on the flooded water meadows, but at least we can be confident that our forbears chose to build the church on an eminence, so the waters remain down in the valley. Perhaps we can count ourselves lucky that the Lark is just a small river, and that its source is not that many miles upstream, so accumulations of water are modest in comparison with those seen in the West Country and along the River Thames. We don't need to build the village ark just yet.

There have been just one or two sunny days, sufficient to allow a major bonfire and to dispose of some of the winter detritus, allowing the snowdrops to stand proud.

As ever, we ask for vigilance around the car park area – various sorts of minor criminality take place here on an all-too-regular basis. Do keep a note of any suspicious-looking car/van numbers. Our thanks to John and Ann Nesling for the use of this area.

### **LOOKING AHEAD SERVICES**

March is a relatively light month, with just two services to choose from, but we would like to direct your eyes and thoughts towards the item about a special service on Sunday August 3<sup>rd</sup> to commemorate the start of World War 1. The idea for doing this came partly from the Parish Council, whose responsibility it is to maintain the War Memorial.

### **PCC MEETINGS**

Our **Annual Meeting on Wednesday April 2<sup>nd</sup>** will now be **held in the church**. Our Rural Dean, Rev Clare Sanders, will be in the Chair. This is an Open Meeting and we very much hope that non-PCC members will come along, enjoy refreshments, hear about the year just past, and let us have their ideas for the future.

## **GREAT BEALINGS HOUSING NEEDS SURVEY (HNS)**

Enclosed with the Benefice Newsletter is the executive summary of the Housing Needs Survey. The Parish Council were very pleased with the level of response and thought that you would find the summary interesting. There will be a presentation to the Parish Council at its meeting on the 11 March by Sunila Osborne, Rural Housing Enabler and anyone interested is very welcome to come along. Please let me know. ## **FRIENDS OF GREAT BEALINGS CHURCH**

### **FIND OUT MORE – ON-SITE COFFEE GATHERING**

At 11 o'clock on **Saturday 12th April** there will be an opportunity for everyone interested in the work of the Friends to join us in the church for coffee and refreshments and to have the opportunity to see and hear about the maintenance work and repairs that need to be carried out. Most of the structural work will need to be carried out by professional contractors but there is also much that we can do to support that necessary - and often, expensive, work. We are looking for volunteers to help in a number of ways, including fundraising and practical tasks. We realise how busy everyone is, but every contribution in time, effort or money, no matter how small, really does count. We might be a small village but we have a fantastic wealth of talent and, together, we can help to preserve our only public building for ourselves, visitors and future generations. Please come and be a part of it.

### **BEALINGS OPEN GARDENS**

The date is still to be confirmed, but will probably be at the beginning/middle of June when most gardens are looking their best. This will be a local event,

open to villagers and their friends, and is an opportunity to share your garden with others and to raise money at the same time. If you feel your garden needs a bit of help, then the Plant Sale on the 26<sup>th</sup> April is the ideal place to find a few bargains to fill in those gaps.

If you would like to include your garden as one open to visitors please contact Sally Johnson (735230) or Norman Porter (735565) or Sue Prentice (738312) by the end of April. We have already received a number of offers. Opening up your garden costs nothing, apart, maybe, from a little extra work. Tickets will cost £6 per family for an all-in ticket to look around the gardens. We hope that there will be around a dozen of them. There will be a quiz to accompany you on your afternoon meander and a prize for the most correct answers. We hope to organise a BBQ and refreshments to finish off the afternoon, at a venue to be determined. If you would like to sell anything from your home i.e. plants/crafts/cakes/art then do feel free to do so! Any donations wel-

come from these extra activities.

Please don't feel that your garden is too small or too untidy to be offered to limited public viewing, as there is always something of interest to share with others. The curiosity factor is strong!

#### **PROGRESSIVE SUPPER PARTY**

There were 50 participants this year, all finding their way more or less successfully to a variety of dishes in a variety of houses on Saturday February 1<sup>st</sup>. Happily it was of those rare rain-free nights. Thanks to all participants – certainly the courses we were lucky enough to enjoy were special and bore the mark of serious culinary (and oenological) input – and particular thanks to Ian and Sarah Sagers for having hosted a wonderful finale. It was sad that David and Jenny Dow, for the first time ever, were unable to participate owing to illness, and even sadder that David, a wonderful supporter of so many events, should have passed away just a fortnight later. We thank them both for their strong support, and offer Jenny our deepest condolences.

## PLAYFORD

---

### ST MARY'S

Well the most exciting thing that has happened to us is that one of the South Windows was blown in by the recent gales. The saga of trying to get someone to come and have a look at the situation, remove the damaged part, board up and replace the said window is a story I could bore you with, but won't. Suffice to say that the wheels have started to turn and hopefully the necessary repairs will start soon.

The weather has still been against us as far as grass cutting goes and we now have the added difficulty of avoiding snowdrops, daffodils etc. when driving a lawnmower at breakneck speed (well two miles per hour). Don't worry; we shall be careful, but probably not perfect.

Please think about adding your name to the coffee rota. It's a small but important task after the ten o'clock service and you would only have to do it once a year.

The Annual Parochial Church Council meeting is due on 24<sup>th</sup> March at 1930 in the Church. Please make every effort to attend even if it's just to show solidarity and support for those that are at present working hard to keep your Church going both spiritually and physically.

Once again a very big thank you to all those people that quietly and without fuss just get on with the job.

*The Churchwardens*

### BENEFICE MAGAZINE DELIVERY

We are seeking a volunteer to help with this important service to deliver the Magazine to half of Playford—10 times a year. If you can help and would like more information on the route please contact Gina Corani 620696 or *bransons@hotmail.co.uk*

### PLAYFORD CHURCH LIGHTS

Due to the window at the rear of the Church, high above the Font and in the part of the Church where the Floodlights switch is located, being blown in, it was sensibly deemed unsafe for anyone to go into that part of the Church. The lead had come away from the stone window frame and was twisted and flapping in the breeze which could have precipitated another shower of glass onto anyone standing below. Many apologies, therefore, to Barbara Dunnett and Geoff Booker's family, the Grimwoods, who had wished to sponsor the lights in January.

The window is now satisfactorily boarded up, awaiting specialist repair, and business can resume.

Requests to sponsor lights to: Veronica Bunbury at Church Corner Cottage  
Tel: 01473 623366 or email: *vronx@btinternet.com*

NB if the request is for the same day or at very short notice, it is advisable to telephone, or ring the doorbell if posting a request, to ensure that Veronica will be at home to switch on the lights.

### PLAYFORD WI

Last month, instead of our speaker coming to us we were all invited to Mary Crehan's home to view her multi-faceted craft talents. We all had a wonderful afternoon in her company.

On 4 March, in the Parish Hall at 7.30 pm Mr Hopper will be coming along to show us his paper sculpture modelling, which promises to be very interesting too.

*Sue Bruce.*

## **ST. MARY'S ANNUAL CHURCH MEETING**

All residents of Playford are warmly invited to the Church's annual meeting.

This will be held on **Monday 24 March, 7.30pm, in the church**, with our Rural  
Dean Revd Canon Clare Sanders.

Come along and find out what goes on in your church, what we've been doing  
for the last year and let us have your ideas for the next year.

Anyone who would like to join our PCC would be most welcome.

Please call one of the Churchwardens to find out more and come to the annual  
meeting for election onto the PCC. It's your church, we would welcome your  
help to run it.

## ST. BOTOLPH'S

### ANNUAL PAROCHIAL CHURCH MEETING

This will take place following Evensong on Sunday 16<sup>th</sup> March, 2014 at around 4 p.m. and the Churchwardens extend a warm welcome both to members of the Church and Village community. As you are aware, we are now in an Interregnum, and pleased to welcome the Rural Dean, The Reverend Canon Clare Sanders from St. Mary's, Grun-disburgh, who has kindly agreed to chair the meeting.

If you can stay after the Service, or just pop along at 4 p.m. for the meeting, your support would be very much appreciated.

### APPOINTMENT OF NEW PRIEST

Whilst this may perhaps be a long process, already profiles are being prepared, designed to put the necessary measures in place, to attract the right person to the post. Whilst we acknowledge all four parishes and their churches are unique, the needs and requirements of each will be written into a Benefice profile, providing the correct balance to cater for all and make for a sound appointment. Norman Porter from Great Bealings is the main link for this process and should anyone wish to make a contribution please do get in contact with him. It is such an important appointment for both Church and village communities.

For many, an interregnum is like entering uncharted waters, but to others something they have witnessed before. It may be helpful to know that Church services will remain the same; that Churchwardens, P.C.C. members, supported by the Rural Dean, the Carlton Ministry Team, and our Benefice Elders will do all they can to ensure the transition is a smooth one, and in the fullness of time, a new Incumbent found. As far as we are able, we shall keep everyone updated as new information regarding the appointment is available.

P.C.C. meeting held 12.2.2014 – Notable issues

Painting donated - Churchwarden Richard Garnham informed us that a picture of Culpho Church had been given to the Church by the son of the Reverend Osbourne, an Incumbent at St. Botolph's in the 1930's. The family were thanked for their most generous gift.

### THANKFUL VILLAGE SERVICE

Following the fundraising event in July, 2013 when two motorcyclists from South Wales visited the 51 Thankful Villages, we were all asked to mark the occasion at 11.00 a.m. on Sunday 3<sup>rd</sup> August, 2014 by unveiling the plaque presented to the Village. This date was chosen to coincide with services being held throughout the country to commemorate the Centenary of World War 1. An appropriate service of thanks and celebration is being prepared by Philip Merry for the fact no person was lost from the Village in the Great War and a warm welcome is extended to everyone.

Churchwardens reported that an inspection of the condition of the fabric of the Church, following the recommendations in the Quinquennial Report, had recently been carried out, and they were pursuing certain issues which needed to be addressed. The Church however, was found to be in a good state of repair.

## **NOTABLE DIARY DATES**

Easter Sunday Service – 20<sup>th</sup> April, 2014 at 3.00 p.m.

Harvest Supper. This will be held on Friday 17<sup>th</sup> October, 2014 6.00 p.m. in the Church

Harvest Service – Sunday 19<sup>th</sup> October, 2014 at 3.00 p.m.

Carol Service - Sunday 14<sup>th</sup> December, 2014 at 3.00 p.m.

Details of these important events in the Church Calendar will feature in future Benefice Magazines along with Fund raising events currently in the process of being finalised.
