A BASKET FROM BABYLON... COULD BE YOURS!

Have you been to Babylon? It is only round the corner... Babylon is the name of an area of Ashbocking where Eileen and Paul Plummer live. Ashbocking church is having an Auction of promises to raise money for its roof, maintenance and organ in July. So Eileen Plummer has imaginatively decided to present a **Basket from Babylon** full of local 'Babylonian' produce with the help of her neighbours. This basket will contain goat's cheese and yogurt, Suffolk rusks, honey from local bees, vegetables and to top it all, a hand-made tea towel embroidered 'Ashbocking' and 'Babylon'.

Eileen's neighbours have caught her vision and are thinking through what they can offer, whether they come to church or not. This seems the best of community to me, when we can support each other's projects and support our local church building which has stood for hundreds of years and will stand for many more years, if we take good care of it. The concept of 'community' is one of the six attributes of Church that this benefice is looking at to understand the church's role better. A good Church can help build a good community. Jesus' second commandment is 'to love your neighbour as yourself'. Life is not satisfying when we take the 'I'm all right Jack' approach, but is better when we can be there for each other. Most people want to live

in a friendly community where fun things happen and that does take time, thought and effort.

In Otley we recently ran a Pet service followed by The Big Lunch. Nearly 200 people came and joined each other for lunch on the playing field. There were running and sack races, games for little ones, a quiz, a treasure hunt and a raffle. Everything was free and there were no prizes. It was so simple and people loved it. But it had taken 3 months of planning by a committed group of volunteers led by the Reverend Jane Hall, to make the event happen. I know most of us are very busy but we need to value our Community enough to help: make things happen or turn up and enjoy what has been organised.

Even if you are not an Ashbocking resident you can offer a prize for the auction, because within the benefice we are neighbours too and it is good to support events across the churches, see the great range of events in the 'What's on across the Carlford Benefice' section. Or anyone can come on the night of the Auction and help this community event by bidding for promises. Who knows, you may win the Babylonian basket!

Rev'd Catherine Beaumont

BENEFICE

ORDINATION

This summer is a special time for our Benefice. By the time you read this Philip Merry our ordinand will have been ordained Deacon. This is a huge event in his life and one by no means insignificant in the life of the Benefice.

The Interregnum was always going to be unsettling but we are, in truth, very well served. Unusually, Philip is being allowed to serve his time as Deacon with us so we are privileged indeed. As I write this I am praying for nice weather and a truly blessed day as he embarks on the next stage of not only his personal journey but as he helps to shepherd us through the interregnum towards the time when we will once more have a priest-in-charge.

I hope that we will all continue to support and encourage each other through this time towards the future. I am sure that this will be good and interesting experience for us all.

May God be with you Philip, every step of the way.

BENEFICE SERVICE COMMEMORATING THE CENTENARY OF THE BEGINNING OF WW1 - 6.00 PM SUNDAY 3 AUGUST 2014, GREAT BEALINGS CHURCH

Advance notice has already been given of this service, and plans for the whole afternoon are now more or less stabilised, as follows:

2.00 – 4.00 pm - Inter-village Quoits challenge match – organised by Roger and Margaret Roseboom.

4.00 - 5.30 - Tea, cake and exhibition of WW1 posters, letters, artefacts, as supplied by residents of our four villages, in St Mary's Church. We also hope to have on display a collection of any books relating to WW1, so please contact Norman Porter if you can loan anything suitable, books or otherwise. Please ensure that you include a note with the item stating ownership.

6.00 - Service of commemoration. This will consist of a narrative, interspersed with readings, hymns, prayers and music. At the beginning of the service, residents of our villages will be invited to light candles corresponding in number to those from our villages who gave their lives. A special token of thanksgiving will be placed by Culpho – one of very few “grateful” villages in the country.

Playford

There will be a small display at the back of the church giving brief details of the nine men from Playford (and a farm student on Lux) who lost their lives in the war - their regiment, their ages, where they died and were buried, where they lived in the village and what work they and their fathers did for a living. There are photographs of six of the ten men all of which it is hoped will add meaning to the names on the memorial, names that have been read out at church services every year since the war ended.

The display will be repeated at Playford church at the Benefice Service of Remembrance on Sunday 9 November at 10.00 am.

TOWN LECTURE

HOLY WELLS AND THE COBBOLD FAMILY HISTORY TRUST

Anthony Cobbold

Museum Street Methodist Church

Thursday 10 July 2014 1.00pm to 1.50pm

'Big' John Cobbold and his wife Elizabeth moved into their brand new home, Holy Wells, just before Christmas 1814, the year of Elizabeth's 50th birthday. This illustrated talk marks the 200th anniversary of these events and celebrates the current £3m restoration of the Stables, Orangery and Park. Anthony's extraordinary voyage of discovery starts with beer and football; unearths marriages to the Chevallier, Hambro and Lytton families; reveals connections with industrial pioneers Watt and Arkwright; explains the naming of a town in Canada and a gorge in Australia and records three of the most famous generals of the twentieth century, not to mention a martyred bishop and a monarch's mistress.

TOWN CONCERT

FLORIAN MUSIC

Celeste Goschen and Judy Smith

Museum Street Methodist Church

Thursday 14 August 2014 1.00pm to 1.50pm

Florian Music, a Suffolk-based flute and accordion duo, have been playing together since 2008. Today's concert is the first time they have combined visual imagery with their music to create an evocative soundscape of moods and styles. Expect a colourful journey, transporting you from the atmosphere of a French café to a South American dance hall and beyond. The music will be enhanced by original film footage, specifically edited for each set of pieces.

Tea and biscuits are available at both events. The kettle will be on the hob at 12.30pm.

Although admission is free, a retiring collection of £2.00 will be appreciated. This is to defray expenses incurred in hosting the series.

ARE WASPS ON THE RISE AND WHY?

If you hear the sound of buzzing and see a striped insect flying in the direction of you and your lunch, this can really get the adrenalin pumping and, in some cases, can have you running very fast in the opposite direction. For those that fear wasps, the bad news is that the warmer weather we have experienced over the last few months may mean another rise in the number of these pests this year.

Nick Collinson, managing director of Essex and Suffolk Pest Solutions, said: "The number of callouts to tackle wasps varies wildly each year, and is weather related." If it is a wet and windy spring, for example, this can affect the number of wasps and delay the development of colonies through to autumn.

"It is too early to tell at the moment whether there will be a rise in the number of wasps this year but if it is an early spring, as it has been, the queens come out of hibernation earlier. So, depending on the weather, we can expect a large number of wasp related callouts."

Wasps hit the headlines in late August last year as pest control experts

nationwide noticed a sharp rise in the number of these pests. After coming out of hibernation over the long winter, the late summer provided plenty of food. With the right habitat, and abundant food, it is estimated that there can be as many as 1,000 wasp nests per square mile.

Wasps also present a risk in urban areas where they build nests in gardens and porch ways and also at height – close to windows and in the roof voids of properties. This is not only a nuisance, it can also be very frightening for the occupants.

Mr Collinson said: "If wasps nest under tiles they can eat through the plasterboard ceilings and fly into the bedroom, which can be quite harrowing, especially as you can get thousands of wasps in a nest." The average is 2,000 to 5,000 wasps per colony, but it is possible to get up to 20,000 in a nest.

There is lots more information about wasps on our website www.eandspestsolutions.co.uk or if you prefer to speak to a human, please feel free to contact us for further advice or assistance on 01473 328092 or 07979 301334.

BEALINGS WI

The Suffolk East WI's Theme for this year's Suffolk Show was "Care for Others". Bealings WI entered 6 of the 7 classes.

"Comfort Quilts for Project Linus – to provide traumatised children with their own special quilt. Bealings WI's entry

was a beautifully made quilt in blue and white.

Tote bags for the Lighthouse Centre and Refuge were made and filled with essential toiletries donated by members. Also two colourful soft heart shaped cushions were made for Breast Care patients.

Hats by the dozen appeared for the class "Comforting Clobber for Seafarers". A warm navy and red knitted hat was entered for judging and more than 60 sent for seafarers.

"Tools for Schools" was another joint effort. A large brightly decorated flower pot was crammed with children's gardening tools, seeds, compost etc. which created a colourful display and will be given to a local school with an enthusiastic garden club.

"Flowers for the Community" – an exhibit using artificial flowers to be presented to a care home. Realistic pink roses, freesias, carnations and gypsophila made an attractive display and after the show was taken to a care home where it was received with delight.

A worthwhile project for the Suffolk Show and all the items were much appreciated by the recipients.

GREAT BEALINGS

ST MARY'S

By the time you receive this Magazine the advertisement for our new priest should have been posted. We have had our final inter-parish meeting with the Archdeacon and everything, including our Benefice Profile, has been cleared, and the Archdeacon reckons that we could be interviewing applicants in September. Each parish has two members on the interviewing panel. The Great Bealings representatives are Eric Barnett and Norman Porter. We can but await developments, with all due patience and hope. After the interviewing process is over it is still likely to take two or three months for final arrangements to be put in place. But first we have to attract the right candidates.

MAINTENANCE

The process for getting necessary church maintenance work done is moving ahead. Charles Barrington has been liaising closely with our architect, and between them, a schedule of work has been drawn up, together with a list of possible contractors, some of whom have already visited the site. We are doing our best to find financial support, and, of course, the more that we can be seen to be helping ourselves, the more likely we are to find donor support to match our own efforts.

Readers may be interested to know that the final item on the list is a new flagpole. For far too long we have been flagless – ever since high winds snapped off the original flagpole – a recycled mast – presumably donated by one of our some-time village naval notables!

LOOKING BACK

Philip Merry will have been ordained by the time you read this. The ordination was set to take place on Sunday 29th June in St Edmundsbury Cathedral. The

occasion will have been one of great joy, and I am sure that we all wish Philip fulfilment in his new role amongst us.

DOROTHY YULE - FAREWELL

Dorothy has been trying to move house for some time now to be closer to her family. The indications were that she would be moving at the end of June, and that we would be saying farewell to her at the Little Bealings service on June 22nd. On the assumption that all this will have taken place, we take this opportunity to thank Dorothy for her wonderful support of St Mary's church over many years. Her late husband, Ken, was equally supportive, and was a churchwarden some time ago, as well as serving as sidesman and our only male flower-arranger. Dorothy has been a regular attender of our services, including walking up the hill from Boot Street to the challenging 8 o'clocks, and has been a stalwart supporter of all that we do. She has also been a loyal supporter of Culpho Church, and of the WI, who held a special tea party for her on Saturday 21st June.

We shall miss her enormously, and, in thanking her for all that she has done, wish her every happiness in her new home in Market Bosworth, Leicestershire.

GEORGE GLANFIELD 1922-2014

George grew up in Little Bealings, saw extensive service in WW2, married a Grundisburgh girl in 1951, and set up home in Grundisburgh Road, Great Bealings, which made him one of the village's oldest residents. George had witnessed many changes in the village, and regretted the departure of so many of the original residents, the "backbone of the village", who could no longer afford to live there.

He was seedsman and machinist at the Farmers' Coop in Ipswich and finished his working life at the BT complex in

Martlesham. His great passion in retirement was gardening, alongside his support for Ipswich Town, whom he followed with “dogged pessimism”.

That Grundisburgh girl, Doris, survives him, together with his son Neil, to whom we are grateful for a lengthy life’s story, which is now filed away as part of our village history. George passed away on May 6th at the age of 91, having spent his final months in Anglesey Heights Residential Nursing home. We offer Doris and Neil our sincere condolences.

LOOKING AHEAD SERVICES

Please refer to the notice about the special Benefice service commemorating the start of **World War One, on August 3rd**. Not only will there be the service at 6.00 pm, but it will be preceded by an inter-village Quoits match in the garden of Great Bealings Hall, and tea, plus exhibition in the church. Full details appear elsewhere.

Details of other services during the summer months are published elsewhere in this magazine.

Our **Harvest Festival** is relatively early this year – Sunday September 7th, so please make a note of this now.

CHURCHYARD

The usual mid-summer profusion of long grass and wild flowers, plus even wilder nettles. We will do our best to keep the paths clear and to provide total access. We will also trim the area approaching the church, once the flowers have finished flowering. The rabbits seem to have had a successful breeding season. Beware of large mole hills.

GREAT BEALINGS PARISH COUNCIL

NOTES OF THE ANNUAL PARISH MEETING HELD ON 6TH MAY

LOCALITY BUDGET

District Councillor Tony Fryatt has £2000 available to fund community projects in Gt Bealings. Please contact the Clerk if you have any suggestions

CHAIRMAN’S REPORT

Eric Barnett reported on the activities in the year, including changes in membership, the major change of which was the appointment of a new Clerk. A major item for the report was the acceptance by SCDC of our bid to produce a Neighbourhood Plan, and a Housing Needs Survey has been completed. An objection has been registered with the Boundary Commission regarding its proposal to include Gt Bealings in a ward with Woodbridge. Various planning application proposals have been made at Wood Barn cottages which the Parish Council has objected to. The Public Examination for EAOW1 has ended and a decision is expected before the end of June.

VILLAGE HALL MANAGEMENT COMMITTEE REPORT

Eric Barnett summarised the submitted report of a very busy year, a full copy of this can be viewed on the Council’s website.

BENEFICE NEWSLETTER TEAM REPORT

Norman Porter reported on the commercial aspects of the Magazine together with other items of interest.

NEIGHBOURHOOD PLAN

Charles Barrington delivered a progress report. There have been three main achievements – completion of the Housing Needs Survey, receipt of £7,000 grant funding from the DCLG and drafting of the questionnaire, the final version of which will be delivered to households in June. The structure of the draft Plan will probably take until

Autumn. The Neighbourhood Plan Working Party has been formalised by making it a sub-committee of the Parish Council.

NOTES OF THE ANNUAL PARISH COUNCIL MEETING HELD ON 6TH MAY Elections and Appointments for 2014/15

Chairman	Eric Barnett
Vice Chairman	Colin Hedgley
Footpath Officer	Martin Cripps
Tree Warden	John Carter-Jonas
Village Hall Rep	Sally Johnson

PLANNING

Decision notices have been received notifying of full planning permission and Listed Building Consent in respect of various plans for Seckford Hall

HIGHWAYS

The bund has been done but a height adjustment is needed at the Boot Street end. The Parish Council will act as paymaster but all residents on the riverside of Lower Street have agreed to share costs.

Colin Hedgley will contact Highways about the flashing sign on Boot Street and repainting the roundels. Volunteers are still waiting to be trained on Speedwatch. SCC will be asked for a priority list for outstanding items for Great Bealings.

NEIGHBOURHOOD PLAN

This had been covered in the Annual Parish Meeting. Councillors agreed to distribute and collect the questionnaires from households.

CO-OPTION OF COUNCILLOR

Charles Barrington has been co-opted as a Councillor of the Parish Council

FINANCE

The internal audit for 2013/14 has been completed and the Annual Return and Statement of Accounts have been approved. The first half of the precept £2250.49 has been received from SCDC. Cheques were signed for annual

subscriptions to Suffolk Association of Local Councils, LGR publications, and Suffolk Preservation Society, Neighbourhood Plan expenses, and for the Clerk's salary, expenses and PAYE.

The next scheduled meeting of the Parish Council will be held on Tuesday 8th July. Full minutes of the Parish Council are available on the Council's website once they have been approved by the Council.

FRIENDS OF GREAT BEALINGS CHURCH

OPEN GARDENS – SUNDAY 15TH JUNE

Fifteen gardens in Great Bealings were open to welcome visitors during the afternoon of the 15th June. Although it was rather overcast at times, the rain held off and well over 100 people toured the village, enjoying the diverse delights which are normally hidden from view. There was a hum of chatter about all aspects of gardening. Visitors clearly enjoyed both looking at and talking about gardens, often getting ideas for their own plots. There had been some apprehension before the day, as few owners had previously opened their gardens to public inspection. However, the general consensus was that it had been worth the hard work to cut lawns, banish (or at least hide) weeds and bring on plants as the visitors clearly appreciated the results.

The afternoon ended with a relaxing and convivial BBQ at Rosery Farm.

Many thanks go to everyone who made the day a success; in particular, Sally Johnson for arranging the event, Adrian and Fiona Melrose for hosting the BBQ and, of course, those who opened their gardens. Income is still being counted, but we raised a significant sum to go towards St Mary's Fabric Fund.

SUFFOLK HISTORIC CHURCHES TRUST CYCLE RIDE

This is set to take place on **Saturday September 13th**. Norman Porter has all the necessary stickers, notices and paperwork, so please have a word with him if you would like to participate. So much the better if you can find sponsors, bearing in mind that 50% of the proceeds revert to our own church, and that we are currently seeking a grant from the Trust for necessary repairs.

Our leafy lanes seem to attract many lycra-clad, helmeted, healthy-looking cyclists, so why not join them on this day, for part or all of the time between 9.00 am and 5.00 pm. We also need

church sitters –one hour per shift – to welcome visitors to the church and to offer them refreshments, so volunteers of a less active persuasion are very welcome, and equally appreciated.

FORTHCOMING CONCERT

We have it on good authority that the **Stella Quartet** is very much hoping to return to Great Bealings Church to give another concert later this year. Those who remember their performance last year will be queuing to ensure that they have tickets, as will those who heard all about it and were sorry to have missed out. A date still has to be set but is likely to be in December.

LITTLE BEALINGS

CHURCHYARD MAINTENANCE

The lush growth of the grasses and wild flowers this summer due to the warmth and early rainfall this spring has certainly caused the churchyard to become rather overgrown. The policy of the PCC with the guidance of Suffolk Wildlife Trust is to allow parts of the churchyard to be left wild for the flowers and grasses to have time to seed and the insects to breed and pollinate. The eastern half of the churchyard (the part nearest the road) is designated the wild area but take the public footpath to the front of the church and it will be seen that this area is mown as and when the two noble volunteers are able to keep up with the rapid growth. We are very grateful to these two and would welcome any help from parishioners who might be able to give an hour or two of their time occasionally to put the mower round this area

There will be a full cut of all the churchyard in late July, when we hope to have the team from the Suffolk Probation Service who bring

trimmers ,mowers and long grass cutters with a gang of workers.

There will also need to be another clear up some time in the Autumn.

If anyone wishes to cut and tidy their own family graves, we are only too happy for this to happen.

LET THERE BE LIGHT

The lights shone on Saturday 31st May to celebrate the life of Smudge Cheeseman.

On Sunday 8th June the lights marked Pentecost, the "birthday of the Universal Church", thanks to Vicki and Peter Carr for their support.

A very happy birthday was wished for Chris Cheeseman by his family on

Thursday 12th June.

All Saints was ablaze with light on Saturday 14th June for a gathering at Rosemead, Little Bealings to mark the 25th wedding anniversary celebration of Chris and Alison, postponed from the actual day 5th May. The occasion was another opportunity to toast Chris on reaching his 50th birthday – secret's out – and a housewarming. "Three celebrations in one go" says Alison. We say "excellent" – keep the bookings coming.

The Lighter nights are here, but the need for celebrating remains – keep up the support.

PLAYFORD

ST MARY'S CHURCH NEWS

Well what an eventful last month we have had. Firstly, we lost our secretary Melanie Brooks due to a house move. Then we lost our Churchwarden Gina Corani due to a career move. However, I am sure you will join me in thanking Melanie for all the wonderful work she has done in support of Playford Church, its PCC and to the wider Benefice generally. Next of course, Gina, who I think you will all agree, has been an outstanding Churchwarden. Gina, you will be difficult to replace and we will miss your input. The good thing is Gina has agreed to remain Safeguarding Officer and Electoral Roll officer. I certainly wish Gina, as you all do, good fortune in her new career. Please look at our advert very carefully and think if you could help. The jobs are not as bad as people may believe and there is always someone to help and guide you. You may have noticed that the Church Path wall has now been re-instated and the bottom pillar rebuilt. New shingle has been laid and the handrail is being repaired. The South windows have been removed and are on their way to being repaired and replaced by the specialist glaziers. The grass cutting continues as per normal.

Colin Hedgley Churchwarden

D-DAY COMMEMORATIONS

The 70th anniversary commemorations in Normandy that were attended by numerous heads of state and other dignitaries, were a reminder that Playford's own Peter Wilkinson was part of the first wave that landed on the beaches in the early hours of 6 June 1944. As a 21 year old lieutenant in the Royal Marines he was attached to the Canadian 3rd Division who, a month later, were the first troops to enter Caen. Peter died ten years ago in July 2004 and his widow Averil is now living in Woodbridge.

Successful beachheads having been established, thousands of additional troops poured ashore in the days that followed. Two other Playford residents were among them. Cyril Gardiner, a third generation villager who later moved to Tuddenham, had been a tank driver at El Alamein and landed with the 44th Royal Tank Regiment on Sword Beach on D+3. And Owen Goldsmith, a veteran of Dunkirk, landed at Arromanches with the 55th Suffolk Yeomanry Anti-Tank Regiment six days later. Like Peter Wilkinson, both men were to become involved in the heavy fighting around Caen that continued into August.

7th June: sponsored by Barbara Dunnett to celebrate the 17th birthday of her Grandson, Elliott Coates, on 5th June.

There has been no sponsorship to date for July and as there is no August issue of the Benefice magazine any sponsorship for July will, therefore, be acknowledged in the September issue.

Requests to sponsor lights to: Veronica Bunbury at Church Corner Cottage
Tel: 01473 623366 or email: vronx@btinternet.com

HISTORIC CHURCHES BIKE RIDE

SATURDAY 13TH SEPTEMBER

Once again Playford church will be open for those taking part in the annual cycle ride/stride (for walkers) to raise money for our historic churches.

If you could spend an hour or two in the church that day to welcome the riders/walkers, offer them refreshments and sign their sponsor forms both the participants and myself would be very grateful. There is a list on the table at the back of the church with available times, please sign up. Thank you.

For those of you who enjoy cycling or walking- why not take part? Most churches are open and you can plan your own route around the country lanes of Suffolk. You can visit as many or as few a churches as you like throughout the day. We will help you with getting sponsors.

CULPHO

ST. BOTOLPH'S CHURCH

STRAWBERRY SUPPER

There is still time to purchase a ticket for the Strawberry Sparkling Supper, with live music, which will take place at Wood Farm, Grundisburgh on Saturday 5th July, 2014 at 6.30 p.m. Richard and Christabel Garnham are holding the event in aid of St. Botolph's Church and hopefully the weather will be kind. A warm welcome awaits and the event promises to be most enjoyable. To purchase a ticket please telephone Richard or Christabel on 01473 738139.

THANKFUL VILLAGE PLAQUE

You will recall the successful fund raising event which took place last year when motorcyclists Medwyn Parry and Dougie Bancroft visited Culpho whilst raising money on behalf of The Royal British Legion.

The motorcyclists visited all Fifty one 'Thankful Villages' (who lost no men in the First World War) and presented each village with a commemorative tablet. In return all agreed to the plaque being simultaneously unveiled at 11am on Sunday 3rd August to commemorate 100 years since the start of World War 1. As a consequence the Church has obtained permission for the slate tablet to be positioned within the Nave and a short service will commence at 10.50 a.m. on the 3rd August.

As the plaque belongs to the Village it would be a fitting testament if residents and parishioners could join together and be witness to the occasion. If you are able to join us everyone will be made most welcome and the service will last no longer than twenty minutes.

SPONSORED LIGHTS

The Church floodlights can be sponsored for just five pounds to

commemorate successes, birthdays, anniversaries of loved ones, memorable family dates, for that 'special occasion' or merely to say Thank you. The Church will remain lit between the hours of 8 p.m. to midnight and all you need is to place £5 in an envelope through the post box at the home of Shirley and John Grey, Number 19 Culpho with details of when and why the lights are to be lit. Details of each sponsorship will be recorded in the ensuing edition of the Benefice Magazine. Thank you if you can sponsor the lights, it all helps towards the upkeep of St. Botolph's Church.

P.C.C. MEETING 16TH JUNE, 2014

Key Points

The inside of the Church will be repainted in the next few weeks and the grass and hedges cut before the end of the month.

Churchwarden Richard Garnham has been appointed the Deanery Synod representative and Secretary Margaret Gornall the Electoral Roll Officer following the relocation of Melanie Brooks.

Sincere good wishes were also extended to Dorothy Yule as she moves to Warwickshire. Dorothy, and her late husband Ken, supported St. Botolph's for many years and she will be greatly missed by so many. We wish her every happiness as she moves to be nearer her family.

The next P.C.C. meeting will take place on Monday 13th October, 2014 at 5.30 p.m. at Abbey Farm
