## SEPTEMBER 2011

---

Recently we had a report from Philip Merry about his journey to be accepted as an Ordinand (a trainee priest). This month, Diana Gardiner who has completed her first year of training as a Reader gives us an insight into life behind the scenes.

We are very lucky that in our villages two people have come forward and offered their time and talents to train as Church of England Ministers. It is a 3 year training to complete their foundation degree with up to 17 hours a week being put aside for study. At the end Diana will be Admitted and Licensed to the Office of Reader and Philip Ordained, first as a Deacon and a year later as a Priest.

*Pauline*

"Well, I have had a most peculiar year. I have been all fired up and enthusiastic and have been down in the depths of despair swamped by negative thinking. Shades of John Bunyan! People around me have also had to put up with this volatility which has not been easy for any of us, but we are still here. I would not have believed how much I have grown this year. Physically not at all (I rather hope) but spiritually and in terms of growth this journey into Ministry is amazing. Poor Pauline has been a brick, not physically I hasten to add. She has supported me and calmed me when I was in the slough of despond and ready to give up. I have been absolutely convinced that I will fail each assignment and mess up each task that I have been required to do as part of my training but, so far, I have managed all of them. When assignments are due I have to lock myself away for a couple of weeks while my ideas mature so to everyone I have snapped at and for the times I have been impatient and intolerant I apologise.

I ask that you continue with your sup-

port and patience as I embark on my second year.

I often feel that I do not get as much as I should from this course, that I should work harder and understand things better. I don't remember as much as I should etc. etc. etc..... but I seem to remember enough. It is like 'parenting skills' when tutors say "no-one is perfect. You just have to be 'good enough'" I am really looking forward to next year and, with support, I hope to be 'good enough'. This could turn into a BAFTA award acceptance list of the people that have helped me and I shall refrain from that but thank you to everyone for your prayers, support and encouragement. You know who you are.

Please pray for Philip who began his training this summer. I hope he enjoys it, with all its ups and downs, as much as I have. And please include me in your prayers as I will pray for us all as we continue our big adventure of life together.

*Diana Gardiner*

### **CHRISTIANITY EXPLORED**

I would like to take this opportunity to invite you to come to our autumn course – Christianity Explored. The evening starts at 7.30pm with a simple meal, this will be followed by a short DVD and time for discussion and questions based on the life of Jesus as depicted in the Gospel of St Mark. If you would like to come and maybe bring a friend you would be very welcome. It would help on the catering though if you could let me know in advance. There is no charge for the course and you won't need to know anything about the Bible. The first session takes place at the Angela Cobbold Hall in Little Bealings on Thursday 22<sup>nd</sup> September at 7.30pm. See you there! ## EAST MEETS WEST

On September 15th, SIFRE starts with its new series of monthly Interfaith meetings in the AC Hall in Little Bealings at 7.00 pm. The theme of the talks will be 'The Search for Spirituality' among different Faiths in East and West. Subjects for the September and October meetings are taken from issue 20 of the Journal 'Faith Initiative - Embracing Diversity'. For September the subject matter comes from an article by Marcus Braybrooke. "There is only one light; and every person is in measure enlightened by it". This is a quotation from his book "Readings in St John's Gospel". For October the subject matter is an article by Emma Winthrop on "The Importance of Religious Identity" and poses the question "Is it necessary to distinguish between different faiths? Those who join the group will each be lent a copy of the journal concerned. It is an excellent publication, which has recently won an award for its contribution to interfaith understanding. The October meeting will be on the 13th also at 7.00 pm. Dates for the November and December meetings will be made known at the September meeting.

SIFRE is looking forward to meeting all our friends from previous seasons and like to stress that anyone interested is most welcome. So please, pass on the message to all potentially interested friends and acquaintances.

## GOOD NEIGHBOURS SCHEME

*From Nat Bocking, Community Development Researcher, Suffolk ACRE, BRIGHTSPACE, 160 Hadleigh Road, Ipswich, IP12 0HH*

I have had a number of enquiries from individuals in Bealings and Grundisburgh over the last 12 months about a Good Neighbour Scheme, which was an action on the Bealings Parish Plan. I just wonder if this article might flush out more support for the idea, as I am available to talk to any group about Good Neighbour Schemes.

Anyone wishing to sign up can go to <http://www.direct.gov.uk/en/Motoring/>

OwningAVehicle/Mot/index.htm for details on how to register. You will need to supply a UK-registered mobile telephone number, a UK-registered vehicle and the vehicle's latest MOT test number found on their current MOT certificate. ## BEALINGS

### BEALINGS WI

July 2011

The invitation was “to take Tea at The Ritz” – what, in rural Suffolk? And so it was that WI members and guests arrived at the Village Hall to hear Britain’s Top Mrs. Mop, Mrs D Preston, ably tell of her career as housekeeper at world famous 5 star London hotels; of the colossal undertaking overseeing dozens of bedrooms, hundreds of staff and guests with many entertaining stories of the whims and demands of some visitors.

Then it was “Tea at The Ritz” at beautifully decorated tables laden with tiny sandwiches (definitely no crusts), freshly baked light as air scones with butter, jam and cream of course. Then gasps of delight as a cavalcade of tiered cake stands arrived with sleek chocolate éclairs, luscious cream filled meringues, minute fruit tartlets and skilfully decorated cup cakes. After many tea pot re-fills and urgings to just try another cake, it was time for a themed raffle.

During the afternoon, Jane Sago, Chairman of the WI Suffolk Show Committee presented Bealings WI member Jackie McCoy with an award for her top marked Teddy Bear from the 2011 Suffolk Show.

Guests from SEFWI Executive Committee and Staff attended the meeting with members from Deben, Grundisburgh, Kesgrave, Playford and Woodbridge WIs.

## GREAT BEALINGS

---

### SAINT MARY’S

Yes, that was the summer that was. A few bright and sunny periods, but enough rain to ensure that the vegetables could flourish without too much watering. Always look on the bright side.... Welcome back to the early autumn edition of this magazine. Hopefully there are good memories to look back on, to go alongside the anticipation of a range of events planned for the autumn.

### LOOKING BACK...

#### FRIENDS OF GREAT BEALINGS CHURCH

This column has recently been much preoccupied with the launch of our “Friends”. FOGBC has now been formally set up, and will be contributing its own column, independent of this Churchwarden column. We do sincerely thank so many village residents for their warm support of this initiative, and hope that the “Friends” will serve to bring together people from all parts of the

village and help to reinforce a sense of belonging to a friendly, fun-loving but caring community.

#### OPEN DAY –SATURDAY JUNE 25TH

The staging of our Open Day came too late to be included in the July edition. In the event the day passed off very successfully, and we had a continuous stream of visitors, including our previous priest, Christine Everett. One of the highlights was the talk given by Clive Paine on the history of the church, and this was enthusiastically received. The refreshment tent was open all day, stocked by kind contributions from several people, and making an eventual profit of close on £200. Our thanks to Farran Scott (Douse) for providing fine solo violin music in the afternoon, another highlight. Tower visits seemed to have been much enjoyed, and there was a steady stream of people enjoying the computerised display of local history provided by Phil Holmes, together with,

later in the afternoon, John Midwinter. Our sincere thanks to all those people, both helpers and visitors, who came together to make this day a success. Even the weather brightened up, after an uncertain start.

#### **WEDDING**

We congratulate Sarah Thurkettle and Marty Oliver on their wedding in St Mary's on 13<sup>th</sup> August and wish them every happiness for the future.

#### **CHURCH ORGAN**

Repairs to the organ have now been completed. It has been an expensive business, over-shooting the original budget, as further work was found to be necessary once the innards of the organ were properly examined. The sound emanating from the organ is considered to be much improved, and we are hoping that Andrew Clark will give a re-launch recital sometime in the middle of October.

#### **...AND LOOKING AHEAD**

##### **WORKING PARTIES**

9-00 -12-30, followed by Ploughman's lunch in the church. This will coincide with the preparation of the interior of the church for our Harvest Festival on the following day, so our flower-arrangers/cleaners are invited to join in at 12-30. Please let Norman Porter know if you are coming so that provisions can be ordered in appropriate quantities.

##### **HARVEST FESTIVAL**

**Sunday 25<sup>th</sup> September 11-00 am** - - followed by a Harvest Lunch, probably a barbecue.

##### **A LIFT TO CHURCH?**

We have had a generous offer from Nigel and Cilla Steed to give a lift to church, "either to save the planet", or for anyone who finds it difficult to get to services. Tel: 01473 254479. Email: [cilla.steed@zen.co.uk](mailto:cilla.steed@zen.co.uk).

Nigel is the son of Mary and Cyril Steed who used to live in Ivy Cottage, Boot Street. Do contact them if you would like to explore the possibilities of a lift.

We look forward to seeing you at our services, at our various village events, or both, over the coming months.

*Churchwarden*

## **FRIENDS OF GREAT BEALINGS CHURCH**

FOGBC is now up and running. The meeting on the 18<sup>th</sup> July was very positive and over 50 people have expressed support. The newly formed Committee met on the 26<sup>th</sup> July and finalised the Constitution. In essence, although the FOGBC is not a separate charity, it will be operationally independent of the PCC and all money raised will be shown in the PCC's accounts, so that we can see how we are doing. The Treasurer of the PCC will also be Treasurer of the FOGBC.

Membership is open to everyone who has an interest in preserving our beautiful mediaeval church, regardless of where they live. Membership is £10 per year. Anyone who is a currently a regular giver to the church will not be required to pay an additional £10. If anyone is unsure about the payment arrangements, they should contact the Treasurer, Adrian Melrose.

This is a member-led organisation where everyone is encouraged to participate, either by assisting with the larger scale events or arranging their own activities. Members of the Committee (Sue Prentice –Chair, Pat Keep - Vice Chair, Mirjam Southwell - Secretary, Jonathan Douse, Melanie Brooks, Alison Calvesbert, Norman Porter) are on hand to provide assistance, as required, but there is no need for people to obtain permission before they organise events, unless they wish to hold them in the Church. Norman Porter can provide guidance in such cases.

We will keep people informed of what is happening, in a number of ways. There is our website [www.greatbealings.co.uk](http://www.greatbealings.co.uk) which is updated regularly. You will find the Constitution, the names of the Committee members, the minutes of Committee meetings and details of forthcoming events. We shall also have a regular slot in the Benefice Newsletter and are discussing with the Bealings and

Playford Newsletter how we might use that to advertise events that are likely to be of interest to everyone. We shall also put out flyers and posters and, of course, talk to people!

Forthcoming events in September to November follow. Looking further ahead, the next open meeting of FOGBC will be on Thursday 8<sup>th</sup> March at 7.30, venue to be confirmed. One of the key events to be discussed at that meeting will be a major Village Event on Saturday 22<sup>nd</sup> September 2012. Please put both dates in your diary!

If anyone does not have access to e-mails and would like to be provided with paper copies of any documents or to talk about anything connected with the Friends, please do not hesitate to contact the Chair, Sue Prentice (Wellington House, Boot St; 738312), the Secretary, Mirjam Southwell (Bridge House, Lodge Road; 735671) or Norman Porter (Rill Cottage, Kiln Lane -735565).

I hope that, by working together, we can provide support to our village church, get to know each other better and have some fun in the process.

Events in the pipeline include:

10<sup>th</sup> September – Historic Churches Cycle Ride, converging on a local pub over lunchtime.

18<sup>th</sup> September: Cricket –organized by Jonathan Douse

24<sup>th</sup> September: Various working parties to clear up the church before Harvest Festival on the 25<sup>th</sup>

Mid-October: probable Organ Recital; mid-November –possible Annesley concert –dates to be confirmed.

A flyer confirming these events will be appearing with this Magazine.

Give a comment of No Objection to SCDC

**Annesley, Boot Street, Great Bealings.**

**Erection of two storey side extension**

Annesley has already got listed building planning consent to make the house into two dwellings. This additional planning application is to enlarge the dwelling. **NOTES FROM THE GREAT BEALINGS  
PARISH COUNCIL MEETING  
HELD ON 12 JULY 2011**

During the period of public participation the lack of bus services from the Bealings' to Woodbridge and Ipswich was discussed. It was resolved to gather data for the services most missed and relay this information to Mr Bellfield. The Vice Chairman also suggested using the telephone number published in the Benefice Newsletter for emergency transport to doctors/hospitals.

Also during the period of public participation the Vice Chairman asked Mr Robin Sadler to report back on the feasibility of wind turbines for the villages. He set out two schemes. Scheme 1 – a wind turbine dedicated to the Village Hall; and Scheme 2 – a larger wind turbine that would provide electricity to some 100 households. An Open Meeting has been suggested to inform parishioners of his research done on

this topic. This will probably be scheduled for November 2011.

**MATTERS ARISING FROM THE MINUTES:-**

**BOOT STREET PROJECT**

Mrs Sally Johnson agreed to recruit a working party to help clear and plant the untidy corner of Grundisburgh Road/ Boot Street. This would be scheduled to take place on Saturday, 20<sup>th</sup> August 2011.

Forms can also be found on a small table in the rear of All Saints Church.

On Saturday September 10<sup>th</sup> the Registration Desk in 'All Saints' opens at 9 AM and will stay open until 5 PM.

### LET THERE BE LIGHT

On Sunday July 3<sup>rd</sup> the lights shone for Donald Rice of "The Anchorage" celebrating his 90<sup>th</sup> birthday! Congratulations!

The following Sunday, July 10<sup>th</sup>, Sally Pamberger, daughter of Joan Moon, celebrated her birthday in Little Grove, Western Australia.

The lights were lit to mark the 10<sup>th</sup> anniversary of the passing of Richard Stone, of Finn Valley Cottage on Wednesday 20<sup>th</sup> July.

Robin and Fiona Springthorpe of "The Old Rectory" celebrated their wedding anniversary on Wednesday August 10<sup>th</sup>.

The church lights marked the 10<sup>th</sup> anniversary of the death of Brian Wilson, of "Brimar" on Thursday August 11<sup>th</sup>.

Monday, August 15<sup>th</sup> was suitably illuminated when Sally Pamberger arrived at Parkside Cottage, from Western Australia!

The 16<sup>th</sup> August was a special birthday for Gill Peck, the benefice choir leader

and the lights shone on Saturday 20<sup>th</sup> August to remember her birthday on the 16<sup>th</sup> and to wish her a "Happy 60<sup>th</sup> birthday with love from all her family and the benefice choir".

Another happy occasion for celebration was the birthday of Fiona Springthorpe of "The Old Rectory" on Saturday, August 27<sup>th</sup>.

Melanie and Robert of "Holly Rise" requested the lighting of the church in memory of John, Melanie's father, who is fondly remembered on Tuesday August 30<sup>th</sup>.

The lights will shine on Tuesday, 6<sup>th</sup> September for Joan Moon celebrating another birthday.

On September 8th 1951 Jack and Beulah Lilley of 54 Holly Lane, Kesgrave, were married in All Saints, so on Thursday, September 8<sup>th</sup> 2011 they are marking their Diamond Wedding Anniversary in light! Congratulations!

The floodlighting scheme was launched on July 23<sup>rd</sup> 1991 for the Kidd family celebrating their birthdays. In the twenty years since then just over £5000 has been raised to assist the care and working of All Saints Church. £5 in 1991, still only £5 in 2011, when the need is greater not smaller. Help your village church; give pleasure to yourself and the village by supporting the scheme. Any excuse will do - £5, note or cheque payable to Little Bealings PCC, Parkside Cottage, Little Bealings IP13 6LT, will flick the switch.

*Joan Moon*

## **HARVEST SONGS OF PRAISE**

September and October are the traditional months for churches to be offering thanksgiving for the year's harvest. All Saints are celebrating harvest this year on Sunday October 9<sup>th</sup> and followed by the Harvest Lunch in the Angela Cobbold Hall.

The Songs of Praise service starts at 11.00am when we are pleased to welcome back Nigel and Alison Brown, our

link with the Wynaud Trust. They have just returned from several weeks out in Kabulamema helping at the orphanage and working with a number of partner organisations to improve the lives of the people living there. They will report to us at the service and tell us more where we can help too.

They have been invited to take lunch with us at the ACH where I'm sure they will be happy to answer any questions.

The lunch will start at 12.15 for those who cannot make the service

Later in September there will be a list at the back of the church where we would like names and number of lunches required to help with catering. Thank you.

## **LITTLE BEALINGS PARISH COUNCIL**

### **Notes from the Little Bealings Parish Council Meeting held on 4 July 2011 SECURITY LIGHTING FOR VILLAGE HALL CAR PARK**

The application to the Prince's Country-side Fund had been unsuccessful. A decision by Great Bealings PC on whether to fund 50% of the shortfall was awaited.

### **PLANNING**

#### **APPLICATIONS**

**C11/1312: The Orchard, Holly Lane (formerly Windy Ridge, Holly Close): Erection of Detached Dwelling, Alteration/extension to existing outbuilding and formation of new vehicular access from Holly Lane (existing dwelling to be demolished) (revised scheme)**

The Council received representations from some parishioners and the applicant's agent about this proposed development. The Council resolved that there was no objection to the development, subject to retention of the bank fronting Holly Lane in order to avoid any widening of Holly Lane as a result of the new vehicular access.

**C11/: Kesgrave Quarry, Kesgrave Road, Kesgrave, Suffolk - A variation of condi-**

**tions 14 (vehicle movement times) and 15 (hours of operation) of planning permission ref no.: C97/1501 (granted for the extraction of sand and gravel; consolidation and reorganisation of the stockpiles and recycling arrangements; retention of the aggregate processing facilities and formation of bonding) to extend the operating hours for 24 hours Monday to Fridays and Saturdays until 23.59pm**

The Council resolved to object to this application as the increase in noise and extra lighting resulting from increased operating hours would be unacceptable close to dwellings.

**C/11/1044: Marydene, Martlesham Road – Application to extend time limit to commence planning permission C08/0889 for ground and first floor extension**

SCDC had approved this application.

**3 Richards Drive - Erection of single-storey side extension (partial demolition of existing flat roof additions) and erection of lean-to extension**

SCDC had approved this application.

**C11/0662: Blewbury, Playford Road:**

**Erection of Building to enclose Swimming Pool**

SCDC had refused this application. The applicant has appealed against this decision.

**C11/0765: Grove Farm, The Street**

**Application for a new planning permission to replace an extant planning permission in order to extend the time limit for implementation: Use of land for the construction of B1 industrial and commercial units (revised scheme)**

Peter Carr had attended the SCDC Development Control meeting and explained the Council's objection to this development on the grounds of highway safety, detraction from the quality of the landscape and the surrounding Special Landscape Area and as the development would not bring any benefit to the village. A modest housing development was preferred. It was perceived that policy did not enable a renewal of the permission to be refused.

### **POLICY**

**Designation of the Parish as a Local Service Centre (LSC)**

SCDC had responded to the Council's enquiry about redesignation as an 'Other Village'. It had pointed out that the parish not only had three of the facilities which met the criteria for LSC (employment opportunities, meeting place and pub) it also had other facilities – bowling green and pavilion, Angela Cobbold Memorial Hall, a Church and 2 playing/ sport areas – which together placed it above 'Other Village' definition. It also had a Primary School and, although there is no shop, was considered to align more closely with the 'Key Service Centre' definition than 'Other Village'. District Councillor Tony Fryatt had also raised the matter with SCDC officers and members. It was considered that the current designation should be left in place and any change considered within a review of the LDF at a later date.

#### **MAJOR APPLICATIONS**

It was agreed to support a proposal from Leiston Town Council which would require applicants for large developments to attend a Town/Parish Council meeting and answer questions from Councillors, and attend a public meeting and answer residents' questions, and fund the cost of an independent assessment of the sustainability of a development, if so requested by the Council.

#### **BUSES**

It had been established that a return peak time service to Ipswich still existed, with an additional off peak service on some days. There was no longer a return service to Woodbridge. Some parishioners had contacted the Clerk about reinstating this service. The main demand seemed to be for a bus on Thursdays (leaving about 10 am and returning about 12 -12.30pm) to enable visits to the markets. It was noted that some Gt Bealings residents also required a Woodbridge service. It was agreed to consider demand further and work with Great Bealings PC to pursue appropriate provision.

#### **PLAYFORD ROAD**

Resurfacing and traffic calming works had been carried out.

#### **MARTLESHAM ROAD**

A resident had raised concern at the speed of traffic on this road, suggesting a speed check by the police and the installation of flexible bollards and two fixed speed cameras. Other residents were of the view that the recent white lining had been effective in slowing traffic. There was also concern that side growth into the road from gardens damaged some vehicles and forced traffic into the middle of the road. SCC would be asked to consider these points.

#### **MARTLESHAM PARK AND RIDE LIGHTING**

It was agreed to ask County Councillor Belfield to look into a reduction in lighting at the site. Evening and night-time lighting seemed excessive once buses had finished running for the evening.

#### **POLICE**

There had been one reported crime in the village since the last PC meeting: driving with excess alcohol in Playford Road.

Neighbouring parishes had suffered opportunistic thefts where buildings, vehicles and bikes had been left unsecured.

Cold calling had also been of concern recently. Current calls included the removal of moss from roofs. Residents were urged to contact Suffolk Trading Standards if they had concerns about the legitimacy of callers: Telephone: 08454 04 05 06 or 01209 720333 or complete a 'contact form' at [http://www.direct.gov.uk/en/Dio11/DoltOnline/DG\\_195913](http://www.direct.gov.uk/en/Dio11/DoltOnline/DG_195913) 'No cold callers' signs were also available if required.

#### **FINANCE**

New bank signatories were in place. Cheques were signed for the Clerk's salary and expenses, PAYE, and

printing of the Walks Leaflets.

### **DATE OF NEXT MEETING**

The next Parish Council meeting will be on Monday 5 September at 7.30pm in the Village Hall Committee Room. During the first 15 minutes of all Council meetings the public are welcome to raise any matters of concern with Councillors. The public may also speak for a maximum of 3 minutes on any item on the Agenda at the beginning of that item.

### **ST MARYS PLAYFORD**

As the summer period draws to a close, we look back on those sunny days; yes you know that one or two I am talking about! Well were lucky on the last day of open churches week to be blessed with a glorious evening, an evening that saw Playford church play host to a musical event. A group of young men, the youngest being 14, each had a story to tell and had been shown by their belief how to put it into songs. A talented band of songwriters and musicians sharing centre stage as well as instruments, truly there was room at the table for all. They shared some very intimate experiences with us as to how God had helped them. For my family the young people came away “buzzing”, having been given an insight into alternative church music. It showed there is room for many types of worship within one church building. Villagers, who I believe enjoyed the evening, supported us. Sitting in the church as the sun went down, with low lights and tea lights calm was all around, and I certainly at times floated into my own thoughts about my relationship with God. A big thank you to those lads from St Johns, and to Jos for providing this opportunity for us. We are already looking forward to the next concert. Thank you again to those who supported this evening.

**FLOWER ROTA** I have had some offers so thank you, please do get in touch if you can help by being part of the rota or even just supplying some blooms the church looks much more lovely with flowers.

**HARVEST SUPPER** This will be on Friday 30<sup>th</sup> September at 7.30pm in Playford Village Hall. Bring and share supper details to follow soon. All villagers are invited.

Again a thank you to Jos who has overseen some intense tree work, and to all you folk who open up, clean, set up, make coffee, arrange flowers and carry out numerous other behind the scenes jobs.

At our meeting on 5<sup>th</sup> July Sally Herrington was elected as our President. Gill Burshol showed us how to make a butterfly decoration to put on a window or patio door. On 19<sup>th</sup> July we met to discuss our current book and 'The Shadow of the Wind' was chosen as the next book to be discussed on 18<sup>th</sup> October. The August meeting saw all our members at Hill Farm, on a beautiful summer evening, by kind invitation of Mr Lofts. After a guided walk around The Mere by Mr Booker we were welcomed back to the hide by Mr Lofts with a glass of wine and a supper of jacket potatoes and bar-b-que'd sausages, cooked by Janet. It was a perfect evening and we are grateful to Mr Lofts for his generous hospitality.

Our Meeting on 6th September is back in the Parish Hall at 7.30pm, when Monica will be telling us about 'Putting a National Trust House to Bed'. We are always pleased to welcome visitors to our meetings

## PARISH COUNCIL

### NOTES FROM THE PLAYFORD PARISH COUNCIL MEETING HELD ON 6<sup>TH</sup> JULY 2011

During the period of public participation before the meeting the following matters were raised:

We inform neighbours of the planning application and date and time of meeting when the Parish Council will be discussing it

### POLICE REPORT

It was noted that no police representative was available to attend but a short report had been received. There has been no recorded crime in the parish of Playford in May or June of this year.

## HIGHWAYS AND FOOTPATHS

The problems relating to the narrowing of Butts Road outside High Meadows is on going and has been left in the hands of Mr Derek Oldham of the Highways Department.

The clerk has been in touch with Debbie Adams regarding the following matters:

- ◆ The overgrown layby in Spring Meadow.
- ◆ Footpath 7 running from Church Lane to Spring Meadow which too is overgrown.
- ◆ Footpath Number 8 from Playford to Little Bealings also overgrown.

It was suggested that a letter of thanks should be sent to Mrs Debbie Adams for the work done on the footpath running through the Alder Carr. The footpath has been reinstated to a very high standard.

Ways to fill the gap in the hedge from the playing field onto Butts Road are being explored.

The edges and hedges at the end of and down Brook Lane need attention.

## FINANCE

Cheques were written for the Clerks expenses and for petrol supplied to the Community Payback Team who cut the grass in the village.

## CORRESPONDENCE

Data Protection. It was noted that the Council was required to register as a data controller as it held personal data in electronic form.

A letter has been received from Mrs Judith Dunnett asking permission to plant a sweet chestnut tree on the village playing field. It was agreed to write to Mrs Dunnett thanking her and informing her that we would be delighted for her to do so.

## ANY OTHER BUSINESS

## CULPHO

### **HISTORIC CHURCHES CYCLE RIDE**

St. Botolph's will be open on Saturday 10<sup>th</sup> September to receive cyclists, offer refreshment and to those requiring it, rest and quiet reflection as part of the Historic Churches Sponsored cycle ride. This annual event has a long history and benefits local churches. Sitters will be in the Church throughout the afternoon and should anyone wish to participate, cycling from Church to Church, sponsorship forms are available from Churchwarden Joyce Dunnett.

### **HARVEST SUPPER**

You will be aware that this event will be held in the Church on Friday 14<sup>th</sup> October from 6p.m. As reported in the last Benefice Magazine, the supper will be provided free of charge to Church and resident community. Mrs. Christine Pearce is co-ordinating the event and to reserve a place you are asked to contact her on telephone 01473 738324 before the end of September. This promises to be a most enjoyable evening and you will be made most welcome.

### **CHURCH HEATING**

This has been a source of concern for several years. The current heating system is old, inefficient and extremely costly to run. In this respect the Parochial Church Council have agreed to monies being spent on a new system which will be efficient, comply with modern day regulations and more cost effective to run. A Faculty has successfully been applied for and once the final details are agreed it is hoped work will commence in the Autumn. At the present time we are unsure as to how long the work will take to complete but we shall aim to keep everyone informed should this cause disruption to services.

### **PAROCHIAL CHURCH COUNCIL MEETING**

The next meeting of the P.C.C. will take place on Thursday 6<sup>th</sup> October 2011 at 5 p.m. The venue will be notified with the Agenda and depend upon any work being undertaken within the Church.

*Margaret Gornall  
Secretary*

## OCTOBER 2011 NEWSLETTER

Contributions for the September 2011 Newsletter should be submitted by **Tuesday 20th September**.

All material including any changes you want made to existing data should be submitted by email to [beneficemag@gmail.com](mailto:beneficemag@gmail.com).

### **DISCLAIMER**

*The views expressed in this magazine are those of the contributors and do not necessarily reflect the views of the Editorial Team.*

- ◆ Please be aware that this magazine will be available online. Names of children 16 and under must have parental/guardian approval before inclusion in the newsletter.
- ◆ May we please ask contributors to submit items using **MS Word** with Spelling set to **English (UK)** and font **Arial size 9**.
- ◆ ***Please also ensure that you check your contribution before you submit it using the 'Spelling and Grammar' facility. (press F7 !)***
- ◆ When submitting 'posters', notices or advertisements please note that 'colour' should not be used because you will lose significant impact when it is transferred to grey scale/black and white.
- ◆ Similarly please test your item before sending it. If it contains too much illustration or detail remember that it will not always be effective when reduced to the magazine's A5 format.
- ◆ Please do not send items in .PDF format because this makes it very difficult to edit and adjust to our A5 format.
- ◆ If you are using graphics/logos please ensure that they are free of copyright.

The newsletter will be ready for distribution by noon **Saturday, 1st October**
