

Playford Police Report May 2014 - 2015

For the months of 12-05-14 to 12-05-15 there have been 19 Crimes reported (12 for burglary and Theft) there has been an increase of 14 to the ones reported in 2013 - 2014 during the same period

Our Priorities are;

Tackling ASB use of Motor vehicles in Kesgrave and Rushmere St Andrew

Tackling ASB around Kesgrave

Monitor the speeding of vehicles on roads within the Kesgrave SNT, including the villages within the district (IP5-IP6)

We also need public support when we are conducting speed checks. The practice of warning oncoming vehicles of our presence may slow the traffic, but it allows speeding motorist to retain a clean licence and continue to flout the speed limits.

Can I please make everyone aware of the theft of Metals, Burglaries, Oil and catalytic converters around rural areas during day and night time, so anything suspicious **Please** ring it in when it's happening, no matter how small it might seem to you and you do not waste our time, it could be a door to door sales men or someone saying they are doing work at neighbour's! Also record any registration plates and secure property when going out, please ring in for crime prevention advice if you would like for us to come out and have a look.

If you have any other questions or queries you would like to address the safer Neighbourhood team please don't hesitate to contact us on 101 or send us an email kesgrave.snt@suffolk.pnn.police.uk

I urge that in light of any emergencies please dial 999 you can also visit the local SNT website www.suffolk.police.uk

Your SNT officers are PC Clark, PCSO 3220 Pither and PCSO 3241 Thomas

Regards

PCSO Pither

Kesgrave SNT
