

Local Councils, Internal Drainage Boards and other Smaller Authorities in England

Annual return for the year ended 31 March 2017

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. **Smaller authorities must approve Section 1 before Section 2.**
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Section 1 and Section 2 in order and in accordance with the requirements of the Accounts and Audit Regulations 2015.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2017, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication and public display of Sections 1, 2 and 3. You must publish and display the annual return, including the external auditor's report, by 30 September 2017.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Guidance notes on completing the 2016/17 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unexplained or unapproved amendments may be returned and incur additional costs.
3. **Smaller authorities must approve Section 1 on page 2 before approving Section 2 on page 3.**
4. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness and accuracy before sending it to the external auditor.
5. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
6. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
7. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
8. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
9. **You must inform the external auditor of the date set for the commencement of the period for the exercise of public rights.**
10. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2016) equals the balance brought forward in the current year (Box 1 of 2017).
11. Do not complete Section 3 which is reserved for the external auditor.

APPENDIX 6

Councils' Accounts: A Summary of Electors' Rights

The basic position

By law any person interested has the right to inspect a smaller authority's accounts. If you are entitled and registered to vote in local council elections then you (or your representative) also have the right to ask the appointed auditor questions about the smaller authority's accounts or object to an item of account contained within them.

The right to inspect the accounts

When your smaller authority has finalised its accounts for the previous financial year it must make them available for inspection. Smaller authorities must tell the public including advertising this on their website that the accounts and related documents are available to inspect. You then have 30 working days to look through the accounting statements in the annual return and any supporting documents. The 30 day period must include a common period of inspection, the first 10 working days of July during which all smaller authorities accounts are available to inspect. This will be 3-14 July 2017 for 2016/17 accounts. By arrangement you will be able to inspect and make copies of the accounts and the relevant documents. You may have to pay a copying charge.

The right to ask the auditor questions about the accounts

You can only ask the appointed auditor questions about the accounts. The auditor does not have to answer questions about the smaller authority's policies, finances, procedures or anything else not related to the accounts. Your question must be about the accounts for the financial year just ended. The auditor does not have to say whether they think something the smaller authority has done, or an item in its accounts, is lawful or reasonable. You can only ask the auditor questions during the period for the exercise of public rights.

The right to object to the accounts

If you think that the smaller authority has spent money that they shouldn't have, or that someone has caused a loss to the smaller authority deliberately or by behaving irresponsibly, you can object to an item of account by sending a formal 'notice of objection' to the auditor, to the address below. The notice must be in writing. In it you must tell the auditor why you are objecting and what you want the auditor to do about it. The auditor must reach a decision on your objection. If you are not happy with that decision, you can appeal to the courts.

You may also object if you think that there is something in the accounts that the auditor should discuss with the smaller authority or tell the public about in a 'public interest report'. You must give your reasons in writing to the auditor at the address below and send a copy to the smaller authority no later than the end of the period for the exercise of public rights. The auditor must then decide whether to take any action. The auditor does not have to, but usually will, give reasons for their decision and you cannot appeal to the courts.

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take these complaints to your local Citizens' Advice Bureau, local Law Centre or a solicitor.

What else you can do

Instead of objecting, you can give the auditor information that is relevant to their responsibilities. For example, you can simply tell the auditor if you think that something is wrong with the accounts or about waste and inefficiency in the way the smaller authority runs its services. You do not have to follow any set time limits or procedures. The auditor does not have to give you a detailed report of their investigation, but they will usually tell you the outcome.

A final word

Smaller authorities, and so local taxpayers, must meet the costs of dealing with questions and objections. In deciding whether to take your objection forward further, one of a series of factors the auditor must take into account is the costs that will be involved. They will only continue with the objection if it is in the public interest to do so. If you appeal to the courts, against an auditor's decision, you will have to pay for the action yourself.

For more detailed guidance on electors' rights and the special powers of auditors, copies of the publication *Local Authority Accounts - a guide to your rights* are available from the National Audit Office's website.

If you wish to contact your smaller authority's appointed external auditor please write to: BDO LLP, Arcadia House, Maritime Walk, Ocean Village, Southampton, Hampshire SO14 3TL.
